

GOLD AND SILVER PROPHECIES

Prophecies and excerpts from Julie
Green Ministries

The gold standard is coming back. Silver will shock you to levels never seen. Just watch, My children. Precious metals are about to change forever. My financial kingdom is being set up upon this Earth, and it will destroy the enemy's Babylonian system they put up in defiance of Me. (June 6, 2022)

As the markets begin to crash, watch gold and silver. Both will suddenly skyrocket because they have been suppressed by

man. To My United States of America: I said before, and now I say this again, you will go back to the gold standard.
(March 10, 2022)

America, I am bringing you back to My gold standard. It was taken from you so they could manipulate and pull you down in every way so as to destroy this nation with immense debt which they thought you could never recover from. Yes, the puppet masters used debt to bring this nation to its knees. Little did they know, I am draining their accounts and the world's economies. I am giving it to its rightful owners, My children. I am even wiping out all the debt in this nation. Yes, I am wiping

it out like it never was there.
Don't be moved by the numbers
and how large the debt is, My
children. That is nothing to Me.
I have more money on this earth
than you know. I will show My
children where there is more
gold to mine. I hid away silver
and jewels until this hour in
order to hand it over to My
children. Yes, I hid it from the
evil ones who would have used
it against you. Call it in, My
children. This is all for you.
(December 13, 2021)

And on the same side, I will
bring blessings to My body and
My church. I am pouring out
My Spirit, and I am going to
restore to all who deserve all
the inheritance that was My
children's. It has your names on

it, so in the next few weeks and the next few months, start claiming and decreeing your inheritance package from your Father. You are part of the greatest family that ever existed on the face of this Earth. You have no idea how much wealth is on this earth. There is gold where you didn't even know there was gold. There is silver that people haven't even found yet. There are diamonds, and there are jewels that I will lead my children to. (December 12, 2021)

So shout as great reversals are coming to this earth, great restorations and an overflow the world has never seen. I will show My children where there is more gold, silver and

precious stones that I have kept hidden until now. This Earth belongs to Me and the fullness thereof, and I have given it to you, My children, to richly enjoy. So stand firm and stand with Me. All will be okay for the ones in the house of the Lord, saith the Lord your Redeemer! (January 6, 2022)

My blessing will be seen in your nation to a greater degree than ever before. Precious metals, more gold, and silver that have not yet been uncovered in your land soon will be by the ones who I have appointed to retrieve and discover this in this hour. United States, you will be independent on all fronts from the world, including oil and

manufacturing. Yes, it can be all done without the control and manipulation from other lands and other governments. (March 15, 2022)

Gold and silver: they didn't want you to know the truth because they would lose their power and economy. They are about to lose it all. My children, just watch their economy fall and a new one rise, saith the Lord of Hosts. (July 29, 2022)

The Federal Reserve is about to come out and make a statement that will bring fear to many. Don't listen. They are liars. They are told what to say and what decisions to make by George Soros, Bill Gates, and the rest of them. The Federal Reserve will not stand. It's a lie

and should never have been created. It was created to bring much debt to this Nation to destroy it from within. Yes, that was the plan from the beginning- using the Federal Reserve, IRS, CIA, FBI, NSA, every evil plan, and every person in these positions to destroy this Nation. It is time for their end. I have people everywhere, your enemies **never knew, who have infiltrated the infiltrators and have all the evidence of everything.** (July 29, 2022)

I am opening up the biggest can of worms on all the secret societies and everything they controlled: media, governments, economies, Hollywood, the sports industry, the FDA, Big

Pharma, The Who, your voting systems of course, Wall Street, the Federal Reserve, and the IRS. They are the UN. I am destroying everything they touched. They destroyed your education system, colleges, elementary and high schools, daycare systems, and anything they could to destroy the innocence of children for easier mind control. They prey on little children for many reasons. (February 11, 2022)

Explosive information will come out exposing the IRS, oh United States. A snake pit will be found of corruption, heinous acts, and crimes against your nation. Liars they all are, and they will be judged along with the Federal Reserve that was

never meant to be in your land,
oh United States. Oh, this
Babylonian system is about to
crumble to the ground. It will
not stay this way, children of
Almighty God. (April 27, 2022)

Wall Street has been put on
notice. They will all fall for
their manipulation, stealing, and
cheating. Who they are
connected to will also be
exposed. You will see the fall of
the Federal Reserve, and the
UN, along with every globalus
organization. These are the days
of great explosions, saith the
Lord. (July 20, 2022)

MY MIGHTY WORKS WILL BE SEEN BY THE WORLD

Date Word Received: June 6, 2022

[Watch video](#)

For I, the Lord, this day continue to tell you, My children, I am judging your enemies. I am restoring everything that has been stolen. I am moving My hand now, and you will see your enemies fall. Their destruction will be great.

They stood before Me in arrogance, shook their fists at Me, and said, "there is no God, and even if there was, I don't care. My money and power will get me where I want to go. I have everything I need, and nothing will stop my plans. No, nothing can defeat me." Yes, My

children, these words and many more like this have been spoken against Me, but all of mankind will see My mighty works in this time and hour to show that I am still the God of Abraham, Isaac, and Jacob! I still am on the throne! I still live! I still save! I do keep My Word and My promises! I still stand up against your enemies to deliver My children! No man can change that.

All mankind will know for a fact I am the Most High God after I move My hand in a way that is not known to man. No one will be able to deny that fact, saith the Lord.

Some will choose, even after I move My hand, the other side and defiance. My children, they have free will. I can't make them turn from their wicked ways. That is up to them to decide which side they are on.

Prepare, My children, for a mighty move of My hand that will bring great change upon this Earth.

Great changes will be seen and felt by the world. This great change is for your deliverance, to restore your freedoms, health, wealth, and everything your enemies took from you. Things you weren't even aware of. Yes, My children, you can hope again. You can trust Me. You can look ahead and stop looking behind. Stop being moved by what you see. It's all about to change, saith the Lord of Hosts.

You will no longer be held hostage or enslaved by these unruly rulers of the evil one. No, I am removing the oppressors in this hour, their laws, plans, rule, and their reigning over you.

I am pulling them all down from their places of power, and influence and justice will be seen through this world. **I am moving now. I am passing down judgment as I speak these words to you, and nothing can stop it,** saith the Lord.

Hodgepodge: this phrase will be in your news to describe this fraudulent government and the way they are trying to or think they are running this nation. **I am letting them fall in front of this world. They will get what they so desired against you, and the whole world will see it come to pass and some in real-time,** saith the Lord.

They are trying to jump through many hurdles to stay significant in this world. Your enemies have no idea the obstacles they are about to face. They will wish they never came

against My children in such defiance,
saith the Lord.

YouTube: a whistleblower is about to
come forth with such proof of the
evil schemes you have done against
the world. Oh yes, every dirty deal
and scheme you have accomplished
for the One World Government.

Those who took part in silencing My
children will be silenced. Your power
and influence will be taken from you,
and so will your finances.

This company Google: I am coming
for you. You can't hide from the
destruction that is about to plague
your company. You thought you had
the power to take My mouthpieces
down with no consequences. You
will soon find out every secret you
thought was safe wasn't. I have it all
and so do the ones with Me that I
have let them have and see this

information. Google, your stocks will plummet. Your power will be stripped from every one of you like you never existed. Your company will be handed over to My children, saith the Lord.

Science fiction: this will be in your news. Things they wanted you to believe weren't true really were. You will know when you see this - how evil the movie industry really is - making movies based on what was really their plans and based on things they were actually doing today to destroy mankind as you know it. They wanted to dummy you down to believe it wasn't real or could never be real - a propaganda machine to control your society. I am destroying it as I speak these words, and you will see it fall apart, saith the Lord.

A major sand storm is about to take

place in the Middle East. A usually large sandstorm, they will say. Great destruction it will cause. They had something hidden there they were planning on using against you, oh United States, but I, the Lord, am obscuring their view and destroying their plans. They will never see what they so desired come against you, saith the Lord.

A malfunction will be visible on live TV that your fraudulent government didn't want you to see - an obvious sign things aren't as they appear to be. Of course, they will try to explain it away, but they can't. An uproar it will bring. An outcry never heard like this before.

My children, I have told you things are ramping up, so buckle up. The ride will get bumpy, it may appear, but stay the course with Me in a

smooth ride it shall be.

Hausman: this name will be in your news.

Apple: this company will be in your news. A whistleblower will come forward with the designs they made against you. Things are definitely not how they appear with this company. Exposures will plague this company - child sex trafficking; they will be connected to. Heinous crimes have been committed by this company, and the whole world will hear it and see it. Not one person who joined in on these crimes will walk away scot-free. No, judgment and justice will hit this company hard in the coming days, saith the Lord of Hosts.

JP Morgan / Chase: this bank and corporation will be exposed heavily in the coming days. Watch what is

being said. Manipulation, dirty schemes, and trafficking, you name it. They were part of it. All the major corporations that have been a part of this economic collapse, slavery will be taken down by My hand, saith the Lord.

A major investment firm is about to be exposed big time. Investment corporations are not how they appear to be, and I will show the world all their hands were in the cookie jar taking from you to give themselves more. Much more stealing has been going on that no one realized. I will stop it and restore it to you, My children. Everything they have taken from you will be given back, saith the Lord.

Sussmann: you will once again be in the news. I am not done with you, and judgment is about to strike you

down to the ground.

Maldives: this country and its name are about to be in the news for an unusual reason.

Stocks all over the place are about to sink quicker than the Titanic, a whirlwind of economic destruction. More damage is coming for the enemies of Almighty God. Not one of them will walk away with what they had stolen from you, My children, saith the Lord of Hosts.

My children, I have thwarted the attacks against you.

The gold standard is coming back. Silver will shock you to levels never seen. Just watch, My children. Precious metals are about to change forever. My financial kingdom is being set up upon this Earth, and it will destroy the enemy's Babylonian

system they put up in defiance of Me.

Great changes are taking place quicker than you think, My children - brace for what is coming.

Breakthroughs, exposures, and deliverance like you have never known before. Stand and receive what I have done for you. It's yours, and the world will see and know who My children are. You are a light in this earth, and your light is about to shine brighter than any other time known to mankind.

Everyone will know you are My children and that I live in you.

A great harvest of souls is coming. Get prepared, My children, saith the Lord your Redeemer.

NOTHING YOUR ENEMIES HAVE DONE WILL STAND WHEN I MOVE MY HAND

Date Word Received: Mar. 10, 2022

For I, the Lord, this day have been preparing My Body for this hour. Yes, I handpicked each individual for such a time as this. Some will arise and be the overcomer I desire; others will give in to the pressure of this world that surrounds them. Others will walk away from their faith in Me. The common thread is everyone made their choice, their decision to which path they take. Blessing or cursing. Abundance or lack. Life or death. I created each of you with a free will, so choose today the evil reports in this world or My good news, which is My Word. It is your choice which reports you to listen to,

adhere to, believe in, and obey. I cannot and will not force you to believe Me, but in this, My grace is sufficient for every person: to believe and receive My report, rise above every attack, stand in the face of adversity, and laugh at your enemy. Yes, you can laugh at him. Yes, you can declare your victory and freedom when he is attacking you. Nothing your enemy does will stand when I am moving My hand. So hold fast in this hour, My children, saith the Lord of Hosts.

My Glory will fill this Earth like the floodwaters in the days of Noah. Your enemies are so desperately trying to stop My Glory. This Glory destroys everything they have, and there is no way to stop it. They sense My Glory is about to be poured out all over this Earth for My children.

All who believe will receive healing, restoration, wholeness, and the wealth of the sinner. Brace for an overflow from all directions. It will hit your houses, My children. The great Exodus will usher in the new, usher in the impossible. Nothing can hold this transfer back or keep it from happening.

As the markets begin to crash, watch gold and silver. Both will suddenly skyrocket because they have been suppressed by man. To My United States of America: I said before, and now I say this again, you will go back to the gold standard.

Congress just passed a bill to give aid to Ukraine. It is not what it appears to be. It is blood money to supply the wrong people, those causing this war. That money will not get to the hands who deserve it. My children, I am

about to open up all the account records to show the world your enemies were running your government. Your enemies funded people to destroy this nation on all fronts. Yes, every penny meant to destroy you will not only be exposed, but all will be returned to you, oh United States.

More will come to the surface regarding Ukraine. Keep listening, My children. Warehouses will be exposed. Anything inside that can be used against you this year will be revealed. They designed massive death as well as a calamity. This has to be stopped. I had told you before Ukraine was infiltrated. I will expose who and how they are connected. I will prove all of this was funded by Obama's government and China.

Prepare to hear devastating reports of

exposures and everything hidden in Ukraine. This is the hour everything hidden will be revealed by My hand, saith the Lord of Hosts.

Kamala Harris, your days are coming to an abrupt end. I will expose the lies that were told and the treason you committed. The pressure grows inside you. You know that the ones who were with you betrayed you. There is nothing you can do about it. You will keep making the same mistakes on camera though you wish you didn't. You accidentally will say President Obama instead of Biden. The target on your back will become bigger. There is no way for them to clean up this mistake. You have lost, Kamala, and that is finally sinking in with you. You are trapped with nowhere to escape the fear and torment you experience daily. That

fear and torment will grow, and treason is written on you for all eternity.

George W. Bush will be in the news again, exposing who he really is and what side he is on. He does things behind the scene, and no one knows about it. George, you were warned, but with no remorse, you chose the side of Obama and the world elites, so now Judgment will come, and you too will have treason written on you for all eternity.

Jeb Bush will be exposed. These reveals will also at the same time show the sins of the father.

“Globalists” the world will shout with anger and frustration. How could that family be a part of this nation's demise? For money? For power? My children, they wanted their way, and it didn't matter that

others were affected by their decisions.

The truth will come out regarding John McCain exposing secrets from when he was a politician and in the Navy. Yes, many facts were hidden about the time he was active. He did many things in foreign lands that for many years have been suppressed. He helped the globalists spy on you and gave them secrets that would help to invade your land. John McCain was a traitor to this nation. All the lies will be uncovered as well as anyone involved in any evil happening to your country.

Yes, you recognize some wolves hiding in sheep's clothing, but you do not recognize the degree of their destruction towards this country nor ALL involved. You soon will. John McCain's name will forever be

known as a traitor to this nation.

News stations will soon report on a high-rise building in Florida. This is a sign from Me, My children. I want you to know I am giving you the news before news stations report the news. And I want you to know all your enemies will fall.

Breaking news will show birds suddenly dropping out of the sky. There will be no explanation for why they died. This is another sign all your enemies are being judged, and nothing can stop that.

News stations will report a massive swarm of insects, comparing it to a biblical plague. This is yet another sign of the great Exodus.

There will be another significant meteor shower that will cause damage. It will look like rocks falling

from the sky. Know that this shower is a sign to your enemies that I am in control. That shower will destroy a power plant because of all that was hidden from the world. All will be destroyed by Me, saith the Lord of Hosts.

To My children living on the west coast, be prepared. A major shaking will occur of not one earthquake but two. The Cascadia and the San Andreas fault lines will shake and destroy some of your enemies' plans. So pray for your properties and know I AM will protect you. This shaking will not affect you; instead will show them I am in control.

I am judging your enemies now, My children. Do not fear these words. I am giving them in advance, so you are not moved when all these things occur. I have promised you I will

protect you, and I will.

My children, the truth will reveal why they are manipulating the oil and oil prices. Watch and see. They never meant for this truth to be told. But My hand is moving and will show all they are doing to you. They are using the market to destroy you, but these are the days of Hammon, so I will destroy them and take all their money from them. This is why I have said not to fear. I am your provider. I am removing everything that never belonged to them and will blast it out of their hands using all these shakings everywhere.

Rejoice! Their end is now, and your freedoms shall reign again. Children of Almighty God, I will repeat this, everything will be okay, saith the Lord your Redeemer.

IT'S ALL COMING TO A CLOSE

Date Word Received: July 29, 2022

[Watch video](#)

For I, the Lord, this day want to remind My children who I am. I am the Most High God, and no one is bigger than Me. No man can outsmart Me. No evil plan is bigger. No matter what they do, what they try to do to change time, or what they will try to do to stay in control, it will never work.

Lord, what do you mean by changing time? My children, it is the time for the body of Christ on this Earth. It is time for the Babylonian system to fall. It is time for the Great Harvest of souls. It is time for your enemies' defeat. It is time for the Great Exodus. This time is now, and they

tried to change time by changing who was in control.

They wanted their reset to control the world and destroy everything and everyone in it. They wanted to gain more power and more money. This was it for them. It was finally time for the One World Government they thought would take over the world once and for all. They did everything they could. They are throwing everything they can to make this happen right now. They really thought they would be farther by now in this time of what they considered their time to rule this Earth, but it's not working. They will continue to see failure everywhere they look. My children, I say this again, brace yourselves for what is coming and what they will try next to keep from losing their power in this Nation and

all the nations.

Takedowns and removals are happening now. People they put in charge are resigning, and they didn't plan for some of this. Some people they chose to remove because they thought they were too weak, too slow at acting on their behalf, or they didn't trust them in helping to complete the next phase of this reset. My angel armies and My people that I am using all over this world will continue to remove the people in power who are against Me. You are about to see a bigger shift of power over the nations around the world, saith the Lord.

My children, watch China rear its ugly head. They can't help but try to take control now. They don't want to wait. The United States is weak, they say, **not knowing what is hiding in**

the shadows. The real government and the rightful president are taking power back even as I speak these words. China, don't do what you want to do. It will be disastrous for you. Oh yes, you will try and make this move, but it will put the final nail in your coffin of power and any influence you once had. China, you will not get what you want. You will fall and fall big time, saith the Lord of Hosts.

My children, inventions have been stolen from someone they rightfully belonged to, and more truth will come out regarding this. Inventions have been suppressed and lied about, but I will uncover the truth and show the world the inventions the One World Government didn't want you to have.

Gold and silver: they didn't want you

to know the truth because they would lose their power and economy. They are about to lose it all. My children, just watch their economy fall and a new one rise, saith the Lord of Hosts.

Eggs are about to be in your news. It's a lie. Don't believe what they are saying.

Tumultuous: this word will be in your news.

Insider trading will be in your news. Oh, it's bigger, nastier, and more wicked than what you have heard and seen so far. Nancy is just one of many. Oh yes! Most in your government are connected to and control Wall Street behind closed doors. The Deep State controls it all, they think. They know what's going to happen in the stock market because they decide when and what

happens. It's pure evil. They decide who wins, prospers, and when, but that is over. My children, **they are all finished.**

The Federal Reserve is about to come out and make a statement that will bring fear to many. Don't listen. They are liars. They are told what to say and what decisions to make by George Soros, Bill Gates, and the rest of them. The Federal Reserve will not stand. It's a lie and should never have been created. It was created to bring much debt to this Nation to destroy it from within. Yes, that was the plan from the beginning- using the Federal Reserve, IRS, CIA, FBI, NSA, every evil plan, and every person in these positions to destroy this Nation. It is time for their end. I have people everywhere, your enemies **never knew, who have**

infiltrated the infiltrators and have all the evidence of everything.

My children, it's coming to a close. There is hope. There is an end to all of what you see of their power and their controlling you and this world. You are going to see it this year. It's too hard to believe, Lord. It continues to worsen, people think, but My children, is it? Or does it just appear that way? I let them have certain things, it looked like, to bring them down. It's just like when I brought the pharaohs and kings down who were against Me and My people in the Bible. This time is no exception.

Conjuring: this word will be in the news.

"Hot air, these people are full of": this phrase will be in the news.

Attitude adjustments: you will see

people in your fake government change their tune, it will appear. Watch! Things are changing in a big way, saith the Lord.

Conjunction: this word will be used a lot in your news.

Impeach, impeach, they will start to say, and some will start to shout the 25th Amendment. They are trying to remove "the Biden" without people knowing what is really going on with him, but it won't work. The world will know the full truth regarding "the Biden," saith the Lord.

Shattered: this word will be in the news.

Coppertone: this word will be in your news. Truth is pouring out everywhere.

Natalie: this name will be in the

news.

Cartwright: this name will also be in the news.

A judge will be in the news. They are standing up for truth, and more will follow. It will trend all around this Nation. If they can, I will too, they will say to themselves. They will fear less about death and rule for justice and liberty once again, saith the Lord.

Constitutional values will be in question. This will be in the news.

Scoundrel: this word will be in your news.

My children, rise up now and expose the thieves. You have that power in your mouths to expose them all. There are people in places all around the world to bring your freedoms

back. Military forces are moving. Your words and prayers are more powerful than any weapon anyone uses naturally. Use My Words in this time to speed up your enemies' demise.

Defeat is all your enemies are about to know.

Mark Zuckerberg will announce his retirement from Meta. He is being removed by Me, saith the Lord of Hosts.

Bill Gates is about to be exposed. Someone they didn't know about has video and audio proof of his plans and how sick and evil he really is. Bill Gates will not stay where he is. He will not keep his financial prosperity. No, he is taking a big hit that he will not recover from. All the land he bought for this world

takeover will be taken from him, and Microsoft will be given to someone else, saith the Lord.

My children, it's all coming to a close, and no one in power to destroy you will keep what they own or their positions of power. It's all coming to an explosive place.

Hang on and see. They all will fall for their heinous crimes, and you will see justice being served.

My children, it's go time! So trust in Me more than ever before. My Glory shall keep and protect you from the judgment that is about to hit this Earth to stop your enemies' next moves against you. It's their end now, so keep rejoicing. It's your time, not theirs, saith the Lord your Redeemer.
