

Jeff Bezos and Amazon Being Judged For Crimes Against Humanity

Prophecies and excerpts from Julie
Green Ministries

<https://www.jgminternational.org/>

Jeff Bezos, I said it before. I warned you. These blackouts and the servers going down is just the beginning of your great fall. I will rip everything from you, and your shame and embarrassment will be great for the suffering you caused due to your part in sex trafficking and your part of the coup against this nation. Yes, The Great I AM is coming for you. Even though you stepped down from your place of power to run and

hide, I have found you, and I will destroy you. (December 8, 2021)

Bill Gates, Jeff Bezos, George Soros, Prince Charles, Justin Trudeau and prime ministers all over the world including the one in My nation Israel: you will see them all fall like flies in a fly trap. There is nowhere to go. They are trapped. There are many more, My children, that will be exposed, and they will pay a high price for their heinous acts and crimes on this Earth. (February 10, 2022)

Amazon: I am opening your books wide and exposing what you were doing in the dark of night and yet in front of the world. You traded children for money. You also took part and

helped traffic them.

Jeff Bezos: I told you before that you cannot hide and that every penny will be ripped from your hands. You will also fall by the Angel of Death. Your days are numbered on this Earth, and your number is about to run out. (February 17, 2022)

To George Soros, Bill Gates, Mark Zuckerberg, Jeff Bezos, Klaus Schwab, all the secret societies, and all the leaders from around the world: **HEED THESE WORDS - My hand is moving now against you.** All of you will end up like Pharaoh in My written Word. You refused to listen. You hardened your hearts, and you pursued My children with no remorse or repentance. Your fortunes will

be taken from you, and death will come to each of you for the death and destruction you caused My children and the Earth that I created. **They were never your property or your slaves, and you will see that before you take your last breath - the freedom of My children and the destruction of your empires, finances, and your influence. I am ripping the secret societies apart like they never existed. Everything you have stolen will also be ripped from your hands.** (June 13, 2022)

Amazon is about to be exposed for what it tried to keep hidden. Monopoly, oh yes! It's all been a lie to take control of the supply chain, keep more from you, raise costs, and manipulate

the economy. There is so much hidden regarding this company that will all be exposed. (July 30, 2022)

Amazon is about to be hit with exposures, and their stocks will begin to fall- hidden agendas and a front for evil things behind closed doors. Amazon and everyone in control: you are being judged, and you will not stand when I move My hand, saith the Lord of Hosts. (July 30, 2022)

IT'S MY TIME

Date Word Received: Dec. 8, 2021

Enemies of Almighty God, I am pulling the rugs from underneath your feet, and your fall will be great. Your days of ruling ON My Earth and over My children are finished, saith the Lord of Hosts. You will not stay any longer in your places of power: ruling over My children, stealing from them, killing them, controlling them with your lies and your falsehoods of everything you could come up with in order to beat them into submission so they would bow their knees to you, worship you and give in to the pressure and the fear you have caused throughout this Earth.

I am knocking you all down to the ground, and most of you will never

get back up. Your judgment is here, and I am cleaning out your bank accounts, ripping your businesses away from you that most of you stole for the ones who are the Puppet Masters, those who had control of who was successful and who wasn't. They kept My children from their wealth. Well, not anymore. Not just the businesses and the financial prosperity, but also the diseased food you fed to the masses and the poison you call medicine, I will expose everything, and I will overturn everything done to My children and My Earth. You destroyed the soil on purpose. You stripped it of its nutrients to slowly kill the masses with malnourishment which caused so much pain, affliction, diseases and sicknesses, and all will reap at one time what you have sown against My children.

Great death is coming to this earth. The angel of death is coming for you, enemies of Almighty God. You refused to repent. You mocked Me. You went through with your plans, and I am now stepping in to avenge My children. Watch for more blackouts and for more servers going down. Yes, by Me. I will bring them all down. This is part of their destruction and of My revealing what has been hidden on their servers and in their companies.

Jeff Bezos, I said it before. I warned you. These blackouts and the servers going down is just the beginning of your great fall. I will rip everything from you, and your shame and embarrassment will be great for the suffering you caused due to your part in sex trafficking and your part of the coup against this nation. Yes, The Great I AM is coming for you. Even

though you stepped down from your place of power to run and hide, I have found you, and I will destroy you.

Watch the Royal Family. Great exposures are about to surface regarding Prince Charles, who will be exposed for who he really is. It was part of his plan to destroy you, United States, working with the globalists and the one-world government leaders. And, yes, all of their dirty deals and the secret heinous crimes that had been committed by Prince Charles will come to light even the ones concerning the death of Diana. I am bringing down anyone in power on this earth who has evil in their heart, an evil agenda, and won't turn from their wicked ways or repent.

Trudeau, I AM is coming for you. I

am doing a clean sweep of government officials, who worked with you and your plan, for what they have done against My nation, the United States. You were paid and were part of a coup with your elitist friends. I will knock you down from where you are sitting and strip you of your power and any dignity you thought you had. I am moving across Canada to free it from the death grip you had on it and the control you used to destroy it. No, I AM will free Canada, and they will take part in this great celebration. Hold on Canada. I AM is delivering you from their hands, and I will leave no evidence of their control over you.

Australia, yes, I am coming, and I will do a clean sweep of the ones who control you. I will free your nation from all the freedoms they stole from you to enslave you and

break you so that you wouldn't fight them back. You will also be a part of this great celebration, so don't lose hope. The Great I AM is on your side and I never lose.

Stand up, My children. Everyone, all over this Earth, stand up and fight back in your prayer rooms and war in the spirit. Demand your freedoms and your countries back. I will honor those prayers. You are more powerful than you realize. The Greater One is in you. Let Him speak through you and say the Words that destroy and dismantle your enemies. The days ahead that all are about to experience, My children, will look like chaos and darkness to those who refuse to listen. But, you, My Remnant, My church, who I have chosen in this hour, will know what time it is, time of your freedom and your deliverance.

When you see the military taking Center Stage, don't fear for this is what needs to take place. Don't be moved for The Great I AM is moving, and when I move My hand across this land, it will shock most people with how fast it went, removing and restoring what is yours. Yes, My children. I can do it in one day, not months, not years but one day. Don't limit My ability to save you. I am love, and I am delivering whom I love on this Earth, the ones who have chosen Me. They chose to love Me despite what the enemies are doing. For the rest of this Earth, all who don't yet know Me, you are about to see The Great I AM move. You will know I am The Great I AM, and it will be your time to choose what side you are on. I am doing this mighty work for you to see who I AM really is.

My children, prepare your houses for this restoration and the moving of My hand. You are at the door now. So step through and receive what The Great I AM is doing in this day, saith the Lord.

JUSTICE WILL PREVAIL AND JUSTICE WILL BE SERVED

I, the Lord, this day, have told you, My children, there will be signs that The Great I AM is in control. There have been many signs and many prophetic words have been fulfilled. Well, the pace is picking up and with more fulfilment of Prophecy. Just as fast as they are spoken, they will be fulfilled.

A great shift is taking place now. A great shaking in this world will take what you now see and remove it all. These are no longer normal days nor days when you just survive on this Earth. No, these are days of your freedoms.

You are taking your authority on this Earth as a true child of Almighty God. No more being slaves. No more being victims. No more living beneath your circumstances. No more being wimpy. No, now there will be boldness, authority, righteous indignation. It will rise up in you. You will stand in the face of adversity and shout and praise Me without moving an inch. You are coming to a place of authority you never thought was possible. Your enemies' nightmares are coming to pass in this hour. Your Awakening is rattling the gates of hell.

So rejoice and spend more time in praise and worship as this destroys the powers of the enemies. Get up from the places where you were and fight the good fight of faith where you win. My Word promises that. Turn every test into a testimony by standing on My Word which is TRUTH, and it will set you free.

Just like Joseph went from the pit to the palace in one day. Yes, that is happening again. There was a reason that what you see now had to take place. You will understand more in the coming days and months about how I had to destroy them the way I did and in My timing. My timing is always the best, even when it looks as though in that time of waiting, all hell is breaking loose.

I have been in control this whole time, My children. So look forward

to your victory. Say every day “I am on The Winning Side. God is on my side, so I can't lose. I am undefeated because the Great I AM defeated my adversaries and everything they had planned for me. My victory is here and now. The Greater One lives in me. The Lion of the tribe of Judah is in me and reigns in my life. My enemies fall before my face. Complete restoration is mine, in Jesus' Name, and that time is now.”.

My children, the battle has been won by your Lord and Savior, Jesus Christ. He brought your adversaries to nothing and to make them of no effect in your lives. Stand firm against the onslaught of the enemies' attacks and know he is nothing in your sight.

You will hear of a massive avalanche, and as you see this sign,

know the Avalanche of Truth is at hand.

A major volcanic eruption in the Hawaiian Islands: this will be a major new story, and this is another sign of an eruption taking place to destroy all the works of the enemy.

At the same time, a major earthquake will also occur. All these natural phenomena will happen at one time including an unusual hurricane that is also brewing at this time. So watch for all of these hits. The perfect storm in the spirit is now hitting your enemies. I have told you this before. I am reminding you because this is that hour for it to take place.

Great removals, great turnarounds: these are the days of the Red Sea moment, but what I will do, will be

much greater than that. The world will be in shock and awe when they see My hand move against all of their governments in all nations on this Earth at one time. The One World Government is falling to the ground.

Many puppet masters will be uncovered and exposed, big names you never thought could be involved. It will shock the world: who was on the side of these elites, how much money they actually had, how many companies they owned, and how they manipulated this entire world system and the markets for more money and power. By doing this, they became filthy rich, you would say, to cause more poverty throughout this world and to enslave as many people as they could. I am blowing the roof off THEIR planned shortages, THEIR economic crash, THEIR wars and THEIR control over the world.

Everything is being exposed, and with the move of My hand, you will see them all fall.

Bill Gates, Jeff Bezos, George Soros, Prince Charles, Justin Trudeau and prime ministers all over the world including the one in My nation Israel: you will see them all fall like flies in a fly trap. There is nowhere to go. They are trapped. There are many more, My children, that will be exposed, and they will pay a high price for their heinous acts and crimes on this Earth.

Heat in unusual places during this time of year. Cold in places that should be hot. Yes, even the weather continues to be affected during this time of great shaking and great changes.

Overturning of elections. Sudden

boldness will rise and come into your civil courts across this land to restore this nation and to bring back Justice. Yes, My hand is moving now in your court systems. Justice will prevail. Justice will be served once again across your land.

A major death on the Senate floor will rock your Senate chambers. And on the same day, one will fall in the house of Representatives. Watch, My children. I am moving across D.C. to judge and settle the cases for My children. Vengeance is Mine, and the world is seeing My Vengeance strike the enemy down to the ground.

More congressmen will suddenly step down. More will say 'I am not running for re-election'. They see the handwriting on the wall. They know Justice is going to be served, and they want no part of it.

Audio recordings are coming forward with the truth of January 6th; with Nancy Pelosi giving instructions on what to do that day, how to make it look like an insurrection took place and how to destroy any standing up or any changes to Electoral College votes. Nancy, you can't stop this recording from coming into the open. It will be heard all over the world. Some will say it's like the shot heard around the world. Damning evidence that can't be undone. Yes, Nancy, the truth is finding you not just for January 6th but also for both impeachments and the 2020 election.

Everyone working with you has been recorded, along with Harris, Biden, Obama, Romney, Schumer and McConnell. All have been secretly recorded, and those recordings are coming into the light for the whole world to hear and see. Yes, My

children, they are all finished, saith the Lord of Hosts. Their days on Earth are coming to an end. Justice will be served. Sentences are being handed down by Me, the Judge over all the Earth.

My children, great Explosions of Truth are hitting D.C. destroying their narrative and their fraudulent government. I am taking them down and removing all of their buildings. They will burn to the ground along with any monument or symbol.

The Statue of Liberty is about to fall. The crack is getting bigger, and it will crumble to the ground. Watch the lightning hit some monuments across this land. This is to show you that I am in control, and I am destroying all evidence of your enemies' tyranny and control on this Earth.

Get ready, My children. All will come down. Your rightful president will be back in his seat in full power in a new house that was built for this very day. You will see him walk down the steps of Air Force One with cheers and celebrations never before heard to this degree all over the Earth. This is about to come to pass so hold on a little longer, My children. My show has started and great celebrations are about to break out all over this Earth, saith the lord of Hosts.

IT'S TIME TO SHOW THE WORLD WHAT YOUR ENEMIES HAVE DONE AGAINST YOU

Date Word Received: Feb. 17, 2022

I, the Lord, this day, am speaking to My children to receive boldness like never before and to stand up in the face of adversity. I, the Lord, am on your side, so there is nothing to be afraid of. Things are about to intensify to a point never experienced on earth like this before. Winds of Change are not coming. They are here. Yes! They are here to blow through this Earth mightily to knock down and knock out anything that is not of Me or is against My children.

A great shaking and quaking are happening now in the natural. The ground is shaking beneath the feet of

your adversaries in this hour. Yes, the ground is shaking underneath their feet. It is about to open wide and swallow up some of them. The ones that survive this shaking will be tried for treason, as I have told you, and hung in the gallows that have already been built by your military.

‘Tribunals’ you would say. I told you, My children, these are the days of Hammon. This is the time when your enemies will reap what they have sown. Seedtime and harvest, and they can not hide from it.

I, the Lord, have spoken through My prophets giving warnings to My children to choose and warning them of things that are about to erupt upon this Earth. The eruption of Truth is happening now and will grow in intensity.

And when this happens, you will see

this fraudulent government of the United States go into an all-out panic. They will start to turn on you to make your lives harder and to punish you for not bowing. They want to take you hostage against your rightful president and government body. Things may seem dark, and some will not understand how things could get so bad because these are the days of Glory.

My children, these are days of Glory. This slight distress in this passing hour won't last. It will turn into nothing. Do not faint at what is coming. I am here for you. Look in My Word. Egypt and Pharaoh tortured and made it so hard for My people right before the Angel of Death came and before they let My people go. It was the darkest, but in that darkness, I showed up and completely set them free from all of

that adversity. Pharaoh meant to destroy them, but during that time, I set them completely free. That is taking place again now, My children, saith the Lord of Hosts.

Listen for more explosive Durham reports. These will like nuclear bombs to your enemies. Video and audio recordings are coming for the world to see and hear, regarding the two impeachments: who was behind them, how they did it, and who pulled all the strings. To the Party of the Blue, I am coming for you. Every lie will be revealed, and those impeachments will be like they never happened.

January 6th footage is about to explode all over the internet showing Nancy giving her instructions to her friends in Congress and in your government along with some top

Capitol Police officers. Oh yes! All were handed down by none other than Barack Obama and was given to him by the puppet masters, the one and only George Soros, and all who are with him.

“Lies” people will cry, and every one of My people and My children who were wrongfully imprisoned and wrongfully accused will be vindicated and rewarded financially. Great is My reward for My children. Your enemies will pay great financial compensation for what has been stolen not only to the January 6th victims but also to all American citizens as they used your money to plot terrorist attacks and cause your destruction. All that money will be blasted out of their hands, from all who were involved, from all who were compensated for their involvement. This includes this entire

government body, the ones who are against you.

Watch for the credit scene where all the names, and I mean all, are shown. Durham, the time has come to let the floodgates fully open to the truth and let them fall. My son and his government are ready to move forward. They have everything needed to restore their power.

Hold on, My children. Things might appear bumpy between the natural disasters, the weather phenomena, and Me shaking the ground beneath your enemies. These things will all happen at one time to destroy every part of their plans against you.

There will be more evidence coming forward regarding your election in 2020. Hold on, My children. Those floodgates are opening wide and

allowing all to come out regarding every nation, their government officials, every person in your government, the election workers, the police, the many states that turned their backs to the evidence, and when it came forward in their states. Some were paid greatly, but for most of them, their lives and the lives of their families were threatened.

Pray for them as they come forward. Judges will reopen cases, and this will go to your highest court in the land. They will have to look at the cases this time. Remember, My children, I am cleansing your highest court. All will be different in your land.

Your military is on the move as more have come to the right side. More of your military, in the highest ranks, had been infiltrated with traitors.

Some generals and high-ranking officers know of what took place in your nation yet they turned their backs. I have told you before that they will be stripped of their medals, dishonorably discharged, and will be tried for treason. Yes, the military has what it needs to flip this fraudulent government upside down and the power to remove them all for the crimes against you.

Watch for there to be a massive earthquake that will shake the western part of your nation. Look to the Cascadia's. Yes, pressure has been building with no release. But now it will be loosened up, and a large quake will be felt by so many. Yes, 'the big one' it will be called. When this big one occurs, watch out. No holds barred. Your enemies will fall like flies.

Watch Nancy Pelosi on air. She is losing her cognitive functions and will continue to slur her words. She is drinking to lessen her fear, but it won't work. She knows she doesn't have much time left. So watch her start to accidentally tell the truth when she doesn't intend to when cornered in her press conferences. Yes, she is about to give herself away. Major evidence against her is going to shake her to her core. Watch for this evidence. She knows they have officially turned their backs on her and that she is finished. With what time she has left, she is falling with no way to stop it.

Rashida Tlaib: I am coming for you, and exposing everything you stand for. You also infiltrated this nation and gave away United States secret information and secret protocols to your buddies and to the ones that

control you from foreign lands. You are about to be fully exposed.

Nothing, and I mean nothing, will be left in the dark about you, about who you are, and about what you stand for. You are finished, and you will have treason written on you for all eternity.

Ayanna Pressley: how dare you come to the People's House: with your smug self, thinking you are high and mighty, and with your plans and agenda to destroy the American people. Oh yes. You want that chair as the speaker of the House so badly. You will never get it. You were behind the impeachments for that ridiculous January 6th 'Insurrection' as you call it. Oh, your fall will be great in front of the world. You are a liar and a traitor. The whole world will hear of your acts against the United States and how all of you

were concocting to take away the freedoms in this nation.

You helped gather intel and National Security protocols and gave it to the nation of your choice in order to betray the United States for the next terrorist plot. But you didn't know that I caught you in the act. I had people planted in your inner circle to record you. Your life, as you know it, is over. The handwriting is on the wall. It says 'treason', and you know how that ends.

Eric Swalwell: your days are numbered. Explosive information which caught you in the act is about to flood the airwaves. Eric, you are finished.

The Koch Brothers will be exposed for their part against the United States and how they used their

businesses to help finance the 'big steal' that took place in this nation. They are part of the puppet masters and the elites who want a One-World Government. They will not get what they want, and the Angel of Death will visit them both but not before they lose everything they have. Every business that took part in the biggest coup in this world will be exposed in this hour of Reckoning.

Disney played a huge part, and they are about to be in the news everywhere for multiple reasons. Whistleblowers have come forward, and their evidence will expose that company and how evil, on so many levels, they are. Their 50th will not go as planned because they will be brought down to their knees for what they have done against you and what they have done to help traffic the children.

Amazon: I am opening your books wide and exposing what you were doing in the dark of night and yet in front of the world. You traded children for money. You also took part and helped traffic them.

Jeff Bezos: I told you before that you cannot hide and that every penny will be ripped from your hands. You will also fall by the Angel of Death. Your days are numbered on this Earth, and your number is about to run out.

Mark Zuckerberg: there will be another major drop in your stock, but this time it will be a greater drop which you won't recover from. You are being removed from your place of power by Me. You will try and act like you stepped down but stepping down doesn't change your fate. I am opening up all of your accounts, showing the world that you were a

part of the 'big steal' of 2020, and showing that your money went to help Dominion, whom you partnered up with. Oh, Mark, you will be tried for treason. My Army is coming for you. You can not hide nor can you escape this Judgment that is coming for you right now.

Brian Stelter: major news will expose you and who you are. You will be removed from your seat at CNN never to be in a news job again. You also helped in the 2020 elections steal doing anything you could to tear down Trump and his name with your vicious lies. You are a traitor to your nation, and you will fall greatly for that and for your lifestyle.

You tried to keep it hidden on your computer, but the world will know how perverted you are and what you liked to watch when no one is

around. You will be exposed in every way. Judgment is coming for you now, and nothing will stop the major news that is about to break regarding you. Your time is over, Brian. I gave you an opportunity to repent, but you chose money and your career. That was a bad choice. You are about to sink like the Titanic because your sins have caught up with you.

Don Lemon: you will take a great fall as well. You will never come back to your position. Yes, for everything you have hidden, for what you have done, and for the lies to the American people, you will completely be exposed. The little that has come out to the surface is nothing like what is about to come out. Yes! You are finished, and your Judgment is now.

CNN: you changed your leaders, but you can't change the Judgment that is

coming against you. You will take your final fall never to get back up again. CNN, you are finished. My hand is moving against you now. Your lights will go dark never to be turned on again by you, saith the Lord of Hosts.

NBC: Oh yes! I am coming for you, for everyone, and I mean every person, even every anchorman that sat behind that camera and bold-faced lied to the American people.

The Today Show: you are some of the biggest liars there are. You wanted the American people destroyed for your leaders. Yes, you helped with the 2020 election, every one of you. You received transcripts before that night. You were given what to do and what to say. When Biden gave all of you his green light that night, when he came out and

spoke, you all knew your plans hadn't worked. So the election had to be stopped that night in order to regain control and to buy time to get all you needed, no matter how many days it would take.

NBC: you will fall by your own sword. You all were caught. You all will fall. Every network and every person who did what: NBC, CNN, MSNBC, FOX, CBS, and ABC. My hand is moving against you in this hour. Judgment is here and now for the enemies of Almighty God. The days of Reckoning and Retribution are here and now, saith the Lord of Hosts.

Hold on My children. It Is about to get very dark for your enemies as truth pours out from everywhere. This is My time to show the world what has been going on against you.

These are the days of Truth, and they are now, saith the Lord of Hosts.

A GREAT SHAKE-UP

Date Word Received: June 13, 2022

[Watch video](#)

For I, the Lord, this day have proclaimed your freedom, victory, health, deliverance, and your restoration. You are no longer slaves or victims because not only have I declared your victories, but I paid the ultimate price for them. **There is nothing more powerful than the resurrection power of Jesus Christ** - the damage it did to Satan and his power. Everything he has stolen from this Earth and from My children is not his anymore. It has been given back through the Blood Covenant. My children, take it back now. You

have the authority. Your adversary is defeated. Get this revelation on the inside of you. **When he comes with his attacks, you will strike him down to the ground under your feet and remind him of his defeat.**

He can't defeat you when you know the truth. So, My children, today, hold on to the truth. Hold on to My Blood Covenant. Hold on to My Name and **resist him**. Command what is rightfully yours - your freedom, health, soundness, wholeness, joy, peace, wealth, and family. Nothing that is bad is from Me. I am good, and all good things come from Me.

I have given you all good things to enjoy. Enjoy My gifts, My children. Take what I have already provided and paid for. Don't sit by and let these attacks happen to you. **I have**

given you the ultimate weapon of Satan's destruction. My children, use it daily.

What is the ultimate weapon, you may ask? The Name of Jesus. Receive greater revelation in that Name. It will destroy the attacks, sicknesses, every lie, every chain, lack, death, and every fear trying to attack you. **You are My chosen generation that hell will not prevail against.** That is why you are being attacked by the world leaders the way you are.

Satan knows what is coming - **revival and My Glory like never before. It will crush his plans and wipe out all those he used to help bring his plans to pass.**

To George Soros, Bill Gates, Mark Zuckerberg, Jeff Bezos, Klaus

Schwab, all the secret societies, and all the leaders from around the world: **HEED THESE WORDS - My hand is moving now against you.** All of you will end up like Pharaoh in My written Word. You refused to listen. You hardened your hearts, and you pursued My children with no remorse or repentance. Your fortunes will be taken from you, and death will come to each of you for the death and destruction you caused My children and the Earth that I created. **They were never your property or your slaves, and you will see that before you take your last breath - the freedom of My children and the destruction of your empires, finances, and your influence. I am ripping the secret societies apart like they never existed. Everything you have stolen will also be ripped from your hands.**

This Nation of the United States is not yours, and it never has been.

You are about to experience utter betrayal. Someone you thought on your side has turned evidence into the authorities. Your blueprints are known to My side, and the world will see it all. To all corporations, businesses, and leaders against Me: you are about to take the biggest hit to your pride. That arrogance you had against Me will not keep you from your ultimate fall from your high-powered positions. I say again, you are not gods, and you never will be. I am against you, and you will soon see My power on display against you, saith the Lord of Hosts.

My children, their destruction is at hand, so don't lose hope now.

Things you have never seen are about to take place. Get ready, My

children. Change your lives and your hearts toward Me. Make Me a priority again. Make Me first in your lives. And while great shakings and great destruction take place around the world, you will have perfect peace, and you will not be moved.

Great miracles and great destruction at the same time. Great death while on the other side great glory and restoration for My children.

A great shake-up is upon you, My children. No one could have planned or imagined what is about to take place.

Receive My Glory now. Receive My Words. Receive My grace and My forgiveness. I will show up, and I will show you My goodness on a

level never known to mankind. So rejoice! Every bad thing you see is about to be destroyed by Me, saith the Lord of Hosts.

Crenshaw: this name will be in your news.

Liabe: this word will be used often against "the Biden," but he is not making these decisions. My children, something big is about to prove that this is true. He is a puppet, and I will show the world the puppet masters. I will cut their lines of communication, and you will see this for yourselves.

Obama: yes, you have defied Me for the last time. Your pride will be your fall, and your judgment is great, saith the Lord.

Pence will be in your news again. My children, I have told you before, things are not how they appear to be.

I will show you the truth and vindicate his name. Many lies have been told, things done behind closed doors, and decisions had to be made. He is a hero, not a villain. He chose to obey when others wouldn't have done what I asked him to do. You may not understand this now because of what you see, My children, but you also are not supposed to walk by sight. Stop listening to a lie. I see all and know all. The new stations - they are liars and thieves. Trust Me beyond what you see today, My children, and confusion will be destroyed against you.

Wake up, My children. Chess moves are being played before your eyes. Strategic moves have been made against your enemies they don't even see yet.

They won't see the total destruction

coming for them until it's too late.

Hazmat: this word will be in your news for an unusual reason. Fear is a liar. Do not comply to another lie, saith the Lord.

A convoy is on the move to take back your freedoms. Yes, your military is marching toward your enemies' camps to take them all out once and for all. So don't be moved by appearances, My children. It's all going as planned, and a landslide is about to take place - one explosion after another **to destroy it all!**

You are right at the door, so don't give up on Me now - you who don't will receive a great reward, saith the Lord your Redeemer.

A REVERSAL IS COMING

For I, the Lord, this day am telling My children to **rejoice even when it seems like you should do the opposite**. Your enemy, right now, wants you in fear. He wants you to believe his lies. He wants you to quit and give in. He wants you to give up on your victory, so he can defeat you when he doesn't have that right unless he can deceive you out of what is already yours. He wants you to become complacent and lazy in your faith so you won't fight him back. Your enemy wants you this day to completely give in to his tyranny.

Don't let your enemies have something that doesn't belong to them. Freedom belongs to you. You

are the children of the Most High God. Stop living underneath your privileges as My children. Stop your adversary from controlling and manipulating your lives.

Lord, how do we do that? Get to know Me more. Get in My written Word, which is truth. It will set you free and destroy the mindset of defeat. It will destroy all deception and your enemies' control over you. He lost all control over you that day on Calvary. When Jesus was raised from death, He completely destroyed Satan's power over you, and He destroyed the curse in your lives. You don't have to live that way anymore. You are no longer slaves to this world, no longer slaves to your enemies, no longer slaves to this demonic Babylonian system. No, it is over. That is completely coming to an end. My children, take your places of

authority this day, in the mighty Name of Jesus.

My Glory- ask for it, My children. Ask for more of Me, and you shall receive. **Ask, and it shall be given unto you.** These are your days- great days filled with miracles. So rejoice because of **what the Lord has done.** **Never back down. Never give in.** **Receive what is already yours,** saith the Lord your Redeemer.

Harvey Weinstein: this name will be in your news. There is so much more to this story. You will hear it all and all who are connected to him. They tried to hide and bury the truth, but it's coming to an explosive place, My children. The people who are named and this dirty underground world will shock the whole world. Harvey is just one of the many connected to the Hollywood elites and the many in

your fraudulent government, along with the world leaders. It's all coming out, and it's all coming to an end, saith the Lord.

A senator is about to fall to a major scandal, and one is about to die. I told you, My children, judgment is hitting their camps with no end in sight. This will be just the beginning of the many who are being removed from their places of power, saith the Lord.

Cardinal: this word will be in the news.

A major eruption is about to take place in your government, the fake one that is. **My children, it's happening!- the destruction of one nation and the birth of another one.**

Cesspool: this word will be in your news. Your enemies are about to implement the next big move. Don't

let them, My children. Remember, I live in you. They can't do anything you don't allow. Continue to speak for truth to come in like a flood. Continue to speak their defeat. Continue to call them down. Continue to declare your victory.

Something is brewing that is about to escalate and come to that explosive place I have continually mentioned in My Words. It's all about to go down. What you may ask?- this fraudulent government, all their plans, control, tyranny, this world economy, and the government control worldwide. It's all coming down, so shout, saith the Lord of Hosts.

A journalist is about to be exposed as a liar and a fraud.

Amazon is about to be exposed for what it tried to keep hidden.

Monopoly, oh yes! It's all been a lie to take control of the supply chain, keep more from you, raise costs, and manipulate the economy. There is so much hidden regarding this company that will all be exposed.

Again, I say watch Syria and listen to what is being said. There is more they aren't telling you, My children. Oh yes, much more.

A Resistance has begun in a state near you. Watch the states. Oh, United States, a uniting has begun. Your enemies have pushed too far and too much, and now finally, more people will begin to rise up and fight back, saith the Lord.

Malicious: this word will be in the news.

A backfiring has begun. Yes, **a reversal is coming-** one people

didn't think was possible. My children, it wasn't possible for mankind alone, but you are not alone. You have Me on your side, and nothing is impossible for Me.

A plague is coming that will catch the world's attention. It won't work this time like it did last time, and your enemies won't understand why. It's because it's a lie. The people know it this time. "Another virus," they will scream and shout. My children, don't pay attention. It's a lie to lock you down and a distraction from what they wanted to happen next to stop the takedown from taking place. It's coming in a big way, saith the Lord.

Butterfly: this word will be in the news.

Watch, things are about to happen

suddenly. **Changes are being made.** Look up, My children. **Keep your focus on Me and My Word.** Take your freedoms, your victories, your health, and your finances. They're already all yours. **It's time for My hand to move like never before, and I hand-picked you, My children, to see it all** and experience this like no one else has. It's bigger than the Red Sea. Much bigger, and you are partakers of it all, saith the Lord your Redeemer.

THE OVERTHROWING OF YOUR ENEMIES

Date Word Received: July 30, 2022

[Watch video](#)

For I, the Lord, this day am telling
My children to dismiss everything
your enemies are saying and what
they're planning to do because **soon**
you will see it all come to nothing. I
have said before that your enemies
are nothing in My sight. You may not
understand everything I am doing for
you, but My word says to walk by
faith and not by sight. So do not be
moved by what you see and what you
hear. **It will all be like it never
existed.**

In the midst of this Great Exodus,
My children, do not fear, do not be
moved. There will be things that will
look unsettling but know this is for

your benefit. Your enemies are not going to win. No, never would I allow that to happen, saith the Lord.

Get in My presence, My children. I have told you in My presence there is rest from all of the effects of the heat and trials you are experiencing. I didn't leave you helpless or hopeless. I am also not asking you to do anything in your own strength. No, I am your strength. So protect your joy, and I will restore your peace. **My Word and My presence are the keys not to be moved in the coming days.**

I always warn before something happens. I did not leave you without an answer or a way out. I am the Way Maker. So stand strong and stand firm. Your enemies are guaranteed to fall in this hour, saith the Lord of Hosts.

A great shift is taking place as I speak these words: shakings will intensify, exposures will be great, and a normal life will seem far from normal now. I am taking you out of what was normal and bringing you into your promised lands. You have been under demonic slavery, and that is all coming down. Chains are coming off that have held you and this world captive. It will be no more. **Your enemies will be no more.**

A mighty wind will be reported. Yes, unusual wind will get people's attention. Know as you see that the wind of change isn't coming. It is here.

Another world leader will die.

You haven't heard all regarding Twitter. More exposures will be released. Things are not how they

appear with this company, and the world will soon hear it all.

Amazon is about to be hit with exposures, and their stocks will begin to fall- hidden agendas and a front for evil things behind closed doors. Amazon and everyone in control: you are being judged, and you will not stand when I move My hand, saith the Lord of Hosts.

A purging has begun: this phrase will be used regarding certain stocks. Certain companies are losing hand over fist, you would say, with no end in sight. It will baffle the world what is going on with the big banks and the certain companies they thought were indestructible. But in fact, they aren't. They will sink like the Titanic.

Wild and wacky: will be used to

describe people in your fraudulent government. Their demeanor is changing, and they will not be able to hide it anymore. **Lots you will see on live TV.**

The British Islands will be in your news for a very surprising reason. Things are being released your enemies never thought could be.

Everest: this name will be in your news. Look at what is happening. Unprecedented will be used to describe it. Crawley: this name will be in your news.

Dust will fill the skies in a location that would be unprecedented, and this location is no accident. Darkness seems to cover the skies. I told you, My children, plagues like Egypt had in the first Exodus you will see again.

Look for insect swarms to increase in certain locations. They will use the phrase biblical proportions. These insects will fill the skies and the streets like never before. These countries are being judged by Me, saith the Lord of Hosts.

Amtrak will be in your news and not for what you think. A derailment has taken place, but the reason why will be surprising. There is more to this story than is being told, but all will be revealed, saith the Lord.

Watch more news anchors leave or be fired in the coming days. You will say an exodus has occurred to explain the amount of people leaving at one time. Judgment is hitting these news stations for all of the lies told, and everyone who took part will be judged by Me, saith the Lord.

Hollow ground: this phrase will be used in your news for a very surprising reason. Pay attention also to this location. Great exposures will come out of this place, saith the Lord.

Counterterrorism: this phrase will be used in your news for a very surprising reason.

A shift has started. A perfect storm is barreling down on your enemies in every way.

The seals are on the move. My children, **active military movements are happening whether you believe it or not.**

More activity is starting in the skies above you, oh United States. Unusual cancellations. Things are happening to take this country back, and unusual things will be seen to take

place more and more as the days come closer to the total take over, saith the Lord of Hosts.

More suspicious fires will break out in the coming days. They want to burn all the evidence and hide what they have done, but they can't. **I have it all, and the world will soon see it all**, saith the Lord.

Copperstone: this name will also be in your news. Treasury: this word will be used in your news. Shake-ups are occurring in this nation, and you will all see it.

A major scandal will expose the IRS. They were hiding many things they can't hide anymore, saith the Lord.

A shake-up in basketball will be reported. This phrase will be used to describe an incident that will take place. Hydrocodone will be in your

news for an unusual reason; it may seem.

A well-known pharmaceutical company will be in your news. **A whistleblower will come out with proof that can't be denied, and they can no longer hide,** saith the Lord.

Ashley: look for this name to continually be in your news.

Keep your eyes on Washington D.C. Unusual things will continue to be seen.

The turning of the page is almost complete. My children, you will soon understand what this means. **I will show you how much can fall at once when I move My hand.**

Remember I said Red Sea moments. Multiple things will take place at one

time. It will overwhelm and overthrow your enemies.

Watch the state of Washington. A shake-up will occur, you would say.

To the ones in charge of California: your days of ruling over that state have come to an end. With your arrogance, you don't see it yet, but you will soon, saith the Lord of Hosts.

Soon the roaring of these sounds will be heard- "lock them all up." My children, great judgments and great justice is coming, and you will soon see it take place. Your enemies have already started to be sentenced, and justice has been served behind closed doors. You will soon see video evidence of what has already taken place.

Hold on, My children. Things may

appear like it will be a bumpy ride, but know this is for your enemies' final takedown.

Shout their destruction and your deliverance now, and **shout it loud**, saith the Lord your Redeemer.

This year is about to get very interesting, and great celebrations are about to break out everywhere. **Your enemies can not stop it.**

So lift up your heads, and enjoy what I have done and a doing for you now, saith the Lord your Redeemer.
