

Silence – Shocking Silence Is Coming!

Prophecies and excerpts from Julie
Green Ministries

<https://www.jgminternational.org/>

My children, a time of silence;
a time of darkness that will
appear across the airwaves. So
many will wonder what is going
on? “God, why is this
happening?” It is not bad
silence for you, My children. I
am shielding you from sights
and sounds you do not want to
hear. During this time, your
Capital will be demolished by
Me leaving nothing left
standing that was not of Me.
(February 26, 2022)

Blackouts? Lord, why is this happening? I need to hear the prophets. I need to listen to the ministers. I need to listen to the Word, Lord. Why is the internet not working? This will be very temporary, short-lived. But when this happens, make sure you do not need the internet to know what to do. Speak to Me! Read My Word! When you experience this, know that an abrupt changing of the guard is taking place with an overthrow of everyone in this fraudulent government and destruction to everything they stand for. Your military is moving to take back power. (March 5, 2022)

A silence is coming to silence your enemies to stop their influence. (Sept. 7, 2022)

Watch what happens to the internet and cell phone services. Many abnormal things will occur before a great silence. Remember that silence means your great victory, so do not fear the days that lie ahead. I, the Lord, am giving to you what rightfully belongs to you, and I am restoring what has been stolen. (May 12, 2022)

Sirens are about to be heard, but these sirens are not ones you would expect to hear. My children, **this will signal the great silence** that I have been speaking of. It's coming. You are right around the corner from it all changing, and it will come very quickly. (October 14, 2022)

My children, get prepared for a

great shaking about to hit this Nation. **Yes, something significant is about to take place in the land of the eagle because the eagle is Mine,** and the world and My children will know that for a fact.

These are the days of the great silence. So be prepared and brace for **My mighty impact,** saith the Lord your Redeemer. (November 10, 2022)

I AM ABOUT TO SILENCE YOUR ENEMIES

Date Word Received: February 26,
2022

For I, the Lord, this day, have told you, My children, to be watching for the signs that I am giving you in this hour to build up your faith and confidence in Me and in My prophets. My prophets which I have put on this earth for this hour to give you My Words that I need spoken. My Words which you need to hear right now regarding things you are facing in this world. You are living in a time where things are going to abruptly change.

I am putting a major halt to all of your enemies' plans along with destroying all who are against you. Major scandals are about to come out, like rapid-fire, one after another, and not one person will get away with anything they have done. I know that up until now, certain people, no matter what was leaked about them, received no punishment or so it appeared. Well, they are about to receive a punishment they never thought they would. They thought they were too smart. They had the entire media outlets on their side as well as money and power. None of that means anything though when they are against Me.

Isolation tents? You will hear this in the news. This will be a sign concerning your enemy's plans and the camps they were planning on putting you in, but all be exposed and

destroyed.

You will hear of a major dust storm in Africa and of a major wind storm across Asia both causing damage and wreaking havoc. Typhoons and other major weather events are about to break out all over the place stopping your enemies from invading you, United States, and Israel.

You will hear and see hail the size never heard nor before seen.

Softball? No bigger. Listen to these words and watch for these signs. I am moving My hand, destroying their weapons, destroying their convoys against you, and stopping their plans to take you out, once and for all, United States.

But know this, I am God!

Concerning the things they are about to try and do to you: DO NOT

FEAR. THIS WILL NOT LAST,
AND IT WILL NOT STAND. I AM
YOUR DELIVERER, AND THEY
CAN NOT GET PAST ME!

There will be the death of yet another government official. Yes, watch for this. The Angel of Death is hitting their camps now. These are the days of Judgment. So many will become silenced in the night. They will not wake up from their sleep. They will be found in their beds dead.

Another one will be found dead by an apparent suicide. That is not true! My children, their life was taken by another to silence them from telling the truth.

Ilhan Omar, death is coming to you with no way to stop it because of your acts against Me and for your acts against both of My Nations:

Israel and the United States of America. You will be killed for your failure. They see you as a failure, and they will dispose of you before you turn on them.

There will be a time of great silence in D.C. Yes, eerily silent, some will say. Their mouths will be shut by Me.

New stations after new stations are about to crumble. The ratings are plummeting in this hour with no way to prop them up. I am shutting the mouth of the destroyer who uses them as his mouthpieces. They will become silent during the transition of power. It is coming, My children, a time of silence; a time of darkness that will appear across the airwaves. So many will wonder what is going on? "God, why is this happening?" It is not bad silence for you, My children. I am shielding you from

sights and sounds you do not want to hear. During this time, your Capital will be demolished by Me leaving nothing left standing that was not of Me.

Watch the Abraham Lincoln monument. It will be untouched. It will be protected by Me because Abraham Lincoln was My son and was chosen at that time to save this country, and he will be honored for that still.

I am raining hail down on your Capital. Watch for this is a sign of their demise.

Watch for another massive storm to head to the East Coast. There will be one and then another one right after that. To My children there, brace for this, but know this is not for you. They are planning a major attack on

your nation. They were using the Atlantic Ocean to hide them so they could show up and attack you out of nowhere. I will show you their submarines. Yes, submarines will be in your news. They infiltrated your waters and your land. So do not fear these weather events. Know that I am destroying them while protecting you from their destruction.

My Children, March will be a great month, you will say. It will start out harsh, but it will end like a lamb. Then many will finally see that I am in control.

Freedom convoys and Freedom protests will grow, My children. Yes, they will grow in your nation and in Nations all over the world. You will see an upscale of military planes and helicopters in the skies above your nation. This is another sign that I am

in control and that My hand is moving against your enemies.

Jerry Nadler, your life is coming to an end. You will fall never to get back up again for defying Me and choosing to sell your soul for money and power.

Brad Pitt will be in your news. Watch for this, My children. This will be a sign of the destruction of Hollywood and what it stands for.

Alec Baldwin, you thought you were in the clear, but you are not. You will be caught not only for the death on your movie set but also for the lifestyle you hid from the world.

Your computer has secrets on it that you tried to destroy, but My people already have all the information they need to take you down. You were connected to Epstein and the

trafficking of children. Your lifestyle is disgusting and evil, and you will be exposed for who you have always been. You were given time to repent. Your brother has been praying for you. You refused Me and refused to repent. Now, Judgment will hit you in ways you never imagined. You will lose everything you hold dear to you. Alex, your time has come to be Judged by Me, saith the Lord.

Another assassination attempt on the rightful president was just stopped by Me. No one will touch the one I have put on this Earth to complete the great Exodus and to usher in the freedom that belongs to this nation and to the world.

Donald Trump, you are protected by Me, saith the Lord of Hosts. That includes your family and all who are with you. Nothing will come of their

plans against you. I am giving you peace and rest. I will take care of your family in this hour. You know what needs to be done, but your family won't be able to be with you through it. But I am The Great I AM, and I will shield them, protect them and give them peace and joy knowing you will be okay as well as this nation.

Donald, great is your reward. I will give back everything that has been taken from you, and I will give you more than you could ask Me for. Every lawsuit will be dropped. Every person standing against you will fall by My hand, saith the Lord of Hosts. I held you back in this hour to hide, comfort, and strengthen you. You have listened and obeyed Me, My son. So, Donald, I am giving you back all that has been stolen and more.

All that needed to be removed and all those who infiltrated your camp have been exposed, so now you can move forward in this hour. The dominoes are falling everywhere in front of you, so walk through to your place of power again. Give Me the care of the people of this nation. My Angel Armies are all over protecting them. Do not worry about them. Nothing your enemies can do will prosper against you or this nation. Peace I will give to you in this hour like never before. Donald, know you are special to Me, and thank you for your obedience and for trusting in Me through it all. Donald, how special you are in My sight. I love you My son, so go and take what is rightfully yours in this hour, and all will be okay with you, your family, and this nation.

My children, all will be okay in the

house of the Lord in this hour. This is the hour of a great transition of power so hold on to Me and My word, and you will find peace and rest. I am your comforter so, in this time, don't turn aside to any other. I love you, My children. I gave you My Only Begotten Son so you could live with Me for all eternity. Yes, and also so you could live like heaven here on Earth. My children, this is possible. I have spoken this in My written Word for a reason. These are your days of freedom and celebration so stand now. Stand up and take back what the Lord has done for you.

DECLARE DAILY:

I am washed by the Blood.

I am covered by the Blood.

I am saved by the Blood.

I am healed by the Blood.

You, devil, can not defeat the Blood.

A GREAT SILENCE IS COMING

Date Word Received: March 5, 2022

For I, the Lord, this day have clearly said victory is for the children of Almighty God. Nothing can come close to stopping My Will or My Words from coming to pass. I have spoken words of defeat over everything your enemies plan against you, My children. Not your freedoms! Your enemies will not get away with anything. NOTHING WILL STAND AGAINST YOU AND PROSPER. This is the hour and the year which I had chosen before the foundation of the world for the GREAT EXODUS.

MY WILL IS BEING DONE, AND NOTHING CAN STOP IT FROM

COMING TO PASS, saith the Lord of Hosts. Revel in this, My Children. I AM GOD. I AM THE ONE WHO CREATED THIS EARTH, AND I AM THE GREAT I AM WHO SAVES, DELIVERS, AND CONTINUES TO SET THE CAPTIVES FREE. No power in hell can stop your freedom.

So think about these words. You have the victory! You have your freedom! You have deliverance in every area of your life! Christ's blood destroyed your enemies' power and control over you! Dwell in My secret place. There is freedom in My secret place. Get in prayer with Me, and I will give you rest. My children, concerning all you thought was too impossible for Me, watch now as the God of the impossible shows up. My hand is moving the impossible out of the way and destroying that power over you.

The word impossible is one of your adversaries' greatest tools they use for stopping a child of God from receiving because of doubt and unbelief. I am breaking those chains off My children. Rise higher and receive greater. Yes, it will be like a dream. My Glory and My splendor are moving all over this Earth. It will destroy every chain that has been on you. Every prison cell you have been in, your mind, body, finances, every area of your life is about to change. Suddenlies are about to take place all over this world.

What I am about to do will shock this world. Is this even possible to see and believe, this amount of goodness being poured out? Blessings are being poured out all over this world. Blessings will raise My children higher than anything trying to keep them back or hold them down. Yes,

blessings are empowerment, My children, and blessings surround each and every one of you.

Do not fear what is about to be told in your news. Do not fear what they are trying to do to you. I am on your side, and I am against them. My children, the Great I AM always wins. You are protected by Me.

Blackouts? Lord, why is this happening? I need to hear the prophets. I need to listen to the ministers. I need to listen to the Word, Lord. Why is the internet not working? This will be very temporary, short-lived. But when this happens, make sure you do not need the internet to know what to do. Speak to Me! Read My Word! When you experience this, know that an abrupt changing of the guard is taking place with an overthrow of

everyone in this fraudulent government and destruction to everything they stand for. Your military is moving to take back power.

My children, your lives will suddenly change. I know this silence won't last. This is a time to celebrate, not a time for fear. This is a time to spend with Me so that I may bring you joy. Joy you have never known. Peace you never thought you could experience. I will fill your houses with My Glory and freedom you never thought was possible. This time is similar to the Passover, My children. There will be destruction and death to your enemies while I deliver My people from anything keeping them captive.

Lord, this can't be. It's too unbelievable. Is it? I have done this

before. Get into My Word and know the Great I AM that delivered a nation in one day. Yes, I have done this before, and I am doing this again. Who? All nations of this Earth? Yes, I am starting with the United States then moving into all nations. I am moving through with My hand swiftly to remove all against you.

One day you will see your enemies, but the next day, they will be silent. You will not see your enemies again. This sign, My children, is taking place within Facebook. It will have another blackout. It will shut down. It will look like it was another system error but know it is a planned shut down by My hands destroying Facebook for what they have done against you.

I will reveal all of Mark Zuckerberg's

secrets. I will remove him. The news will announce he is stepping down, but this won't be his choice. I am removing him and all who took part against this nation for their actions against My Nation and the 2020 election. This removal will include others from other countries. Yes, all will be tried for treason. When you see this, My children, prepare for what you now see to be totally gone the next day. Remember, this silence is good for you. It is to destroy all that is against you.

Watch for significant news from the Himalayas. This is yet another sign of your enemies' ultimate destruction.

Major news is about to break out regarding generals and your military. They will stand down, suddenly retire, or so they will say. No, I am cleaning out your military in all

branches. I am getting rid of all who sold you out, all those paid to look the other way for this coup to take place. Yes, they sold you out for money. You will hear major scandals concerning other generals and high-ranking officials. They will be stripped of all their medals and removed. More people will receive a dishonorable discharge, and many will be tried for treason—more than any other time in history.

You will also see more world leaders and presidents in other nations step down or suddenly die. Yes, the Angel of Death is moving across this world to destroy all enemies holding nations captive. My children, once you see the rightful President of the United States, Donald Trump, take back his rightful place of power on center stage, the Angel of Death will move all over the world. And know

there is a plan for your Nation's freedom as well. Everyone will celebrate around the world for Donald Trump's return. This is not just for your Nation, oh United States. This will be a signal for freedom worldwide.

My nation Israel, I am correcting your last election. I have told you this before. Benjamin Netanyahu is your rightful Prime Minister, and his power will be restored. Then Canada, Australia, and the rest of the nations. Removals and great celebrations are at hand this year. Yes, My hand is bringing the great Exodus in 2022. You don't have to wait. The time has come for many Red Sea moments, for things I will do which no one could deny. The Great I AM is on your side, and I am the Most High God.

Blinders are being removed. People who had turned their back on Me will flood to the altars. Get right before Me, so My light shines for you. My light will show the world you are My children.

Yes, days of darkness are at hand for your enemies, but light will shine on all My children—no feeble among you during this time of the Passover. Yes, the Angel of Death and destruction will not touch My children during this hour of removals or the great exchange of government bodies, the rightful governments. Prepare now, My children. This time is coming sooner than you think. I am telling you these words, showing you signs to look for, so when your world is shaken, and you can't understand what you are seeing or experiencing, know I have told you this ahead of time.

Silence means your victory!

Everything is about to change. Many in the government of the United States of America will die. You will hear and see this on the news, and they will ask what is going on. It is judgment! The Angel of Death is moving across this fraudulent government to destroy its power over the world. It is yet another sign to let you know they will all be removed, and freedom is about to be restored on a scale never seen nor experienced before. Hold on, My children, these days are upon you, so know I am with you. I have not forsaken you. I am delivering you and totally setting you free.

Do not fear what is happening to the markets. A crash will try to bring fear on you. Do not fear! I am removing their power, their influence, and all

their finances at the same time. All will be restored, but first, all will be shaken.

My children, your time to celebrate is now, saith the Lord of Hosts.

A GREAT SILENCE IS COMING 2

Date Word Received: Sept 7, 2022

[Watch video](#)

For I, the Lord, this day am reminding My children of their Blood Covenant with Me. Stand firm, and believe in it today. Your enemies have no power against it. They are and will always be defeated by the blood of Jesus that destroyed and disarmed them against you who have accepted Jesus as your Lord and

Savior.

To My children who are still caught up with religion and religious traditions, I am warning you of great changes in your congregations- no more man-made doctrines, no more being lukewarm, no more living for yourself or by what someone else tells you about Me. Get to know Me personally through My written Word and your time of fellowship with Me. And woe to those who doubt the prophets or doubt My Words. Sudden darkness is about to fall on this Earth, and you don't want to get caught up in this trap. Get up now, My children. Get ready to receive My Glory, which I have already given to you.

Praise in these days like never before. There is power in your praise. So praise, My children, like never before, and you will see your

circumstances change. You will see your lives change. You will experience freedom and health like never before. Praise destroys sickness and disease. It destroys fear. That's why you can't go by feelings. There is much power when you praise. It says in My Word to give sacrifices of thanksgiving and praise. Your body and mind will tell you not to. Your circumstances will tell you that you can't. **Don't listen.** That is Satan using his distractions to keep you from prospering and losing complete control over you. Praise makes your enemies run, so praise Me louder, My children, in this time. Seek Me like never before. Your chains are broken, so start to celebrate right now even before you see it because then you will see it quicker, saith the Lord your Redeemer.

A dismantling of your enemies has begun. **My days of vengeance are here.** Destruction of your enemies' plans you will see with your eyes more and more. Nothing can stop the eruption of truth about to take place. The world will see that I am the God of Truth. Your enemy's lies cannot stand up against My power, saith the Lord of Hosts.

Catapult: this word will be in your news for an unusual reason.

Another war is about to be announced in your news. Do not pay attention. This act of war is a complete farce and a setup for a major distraction on this Earth to get your eyes on it so you don't hear the truth when it comes. Don't pay attention to when multiple whistleblowers come forward or when more step down from their

places of power to obviously hide from what is coming. They can't hide from the truth, and they can't hide from Me, saith the Lord of Hosts.

Major news is about to break regarding the midterms, oh, United States. Your enemies had the stage set from major chaos to steal yet another election, but I am stopping it before the midterms. Watch and see a great change come before then. Don't fear this election, My children. Your enemies should. Just know I don't need an election to change this Nation around, and I don't need another election to bring your rightful president back. No, My hand is not without power, and My hand is moving to bring him back now, along with everyone with him. But My children, don't look to a man to save you. I am the One doing that, saith the Lord of Hosts.

An aquarium will be in your news for an unusual reason.

A major sandstorm will be in your news. Watch this location. Many things are about to take place there. The weather will become very unusual in this region, and weather reports will show it. Biblical plagues, they will shout, we are seeing in our time. How can this be?

A body of water will turn blood red. Insects will cover the ground, and everything seen, it will appear like. Hail will turn into fire, and frogs will be seen in unusual numbers.

Mysterious deaths will occur. I told you to watch for these things coming to show the world that this is a time for another exodus. This is the time for the Great Exodus, and My children are walking out from this Babylonian system free as My

children should be, saith the Lord of Hosts.

Syracuse: this name will be in your news.

Something significant is about to take place in the Arctic Ocean.

Remember My children, who I am. I always warn before anything takes place like this.

Another warship is about to be in your news.

Watch your enemies fail at another attempt to take over My Nation of Israel. They are planning their next strikes, but I will stop their missiles, and the world will know that this only could have been done by Me, who stopped them. Your enemies will soon know that the God of Abraham, Isaac, and Jacob still lives and still protects My Nation, Israel, saith the

Lord of Hosts.

I say this word again, a catamaran will be in your news. Look at this location and know the truth is about to destroy your enemies' plans, and they will sink like the Titanic.

Wind shear: this will be in your news because something unusual has taken place that the weathermen cannot explain. Unusual times you are living in, and unusual things will be seen more regularly to get the world's attention. I am here, and things are changing, saith the Lord.

Constantinople: this word and this location will be in your news. Something significant is about to take place in Istanbul. You will know it as soon as you see it, saith the Lord.

Turkey is hiding something that will

soon come out like a bang, and it will tear down your enemies' plans. Just watch what they have and know more countries are about to come out against the One World Government-countries you never thought would stand up and fight back. I told you there is resistance growing among the nations of the world. They are pushing back the propaganda, pushing back on the stealing of their freedoms. You will see this growth worldwide. My United States, get up and join the resistance, saith the Lord.

Oh, United States, how your enemies have tried everything to divide you, **but a uniting has begun. A shift has taken place that no man can stop.** Oh, United States, arise now. Stand now, and take back what is already yours. See through all your enemies' lies and plans and know that **none of**

them are working. Laugh at your enemies because they're all losing their power and positions, and their mouths will keep giving themselves away over and over again on live TV. TV is about to become very entertaining as they stumble, fall, and some accidentally tell the truth. Some are turning on each other and will escalate their dismantling. It has started, and this season you are in will be great and very memorable.

Don't ever forget what I have done and what I am about to do. Tell this to your children and your grandchildren- **what the Lord has done across the world**, and revival will break out to a degree never seen.

It is all starting now, so don't be moved by the upcoming crashing of the market. I have warned of this before. **It's their kingdom that's**

falling. A new one is rising, saith the Lord.

A silence is coming to silence your enemies to stop their influence. So, My children, start shouting and proclaiming. This is a time to celebrate. Proclaim your freedom and your healing. This is the time to receive from Me in greater measures, saith the Lord your Redeemer.

THE WORLD LEADERS' TIME ON CENTER STAGE IS ABOUT TO EXPIRE

Date Word Received: May 12, 2022

[Watch video](#)

For I, the Lord, this day am telling My children to get up from your places of despair and defeat; to get

up from that discouragement and heaviness. Come and spend time with Me. I will refresh your souls. I will give you peace, joy, and the refreshing you need from the war you have been waging with your enemy. **I will restore everything that has been stolen from you.** These are the days of restoration. These are the days where I do a new thing in the nations. Yes, but I am also doing a new thing in each and every one of you, children of Almighty God.

These are the days no eye has ever seen; no ear has ever heard what I'm about to do for you. You say, Lord, you have said this, but things are getting worse. Is it the end? I ask you, My children. It is not over until you win, and I say to each and every one of you, you will be victorious. **You will overcome. You will prosper. And you will walk all**

over your enemies.

Remember, My Word says your enemy is under your feet. Keep him there. He is defeated. He has to bow. You don't. Don't give up now. It's almost time for you to see a Red Sea-like moment. Something you never thought I would do and your enemies didn't think I could do. They are about to see the God of Abraham, Isaac, and Jacob, the same God that parted the Red Sea, that drowned the enemies, **is still alive. I am still in the business of saving and delivering My children and this Earth from people like them.**

They will all have to deal with judgment, and that Judgment Day is coming sooner than they think.

Al Jazeera will be in major news stories. A fallout, a scandal of major

proportions, you would say. They are liars, and they were caught on video saying things to cover up what they had done and all that had been hidden with many news stories they stopped before being released to the public.

A death has occurred. Someone dug in too deep, and they knew too much, so your enemies permanently silenced them. And yes, this death will see justice, and I, the Lord, am moving My hand against your enemies. They will fall and be brought to nothing. Al Jazeera, judgment is hitting you now, saith the Lord of Hosts.

The Netherlands will be in your news. A whistleblower will come forward about the truth and shake things up in this country. Things aren't how they seem in most nations

around the world, and soon, My children, you are about to see this for yourselves.

Whitewater: I will say this again. This will be continually in your news reports. Listen to every location and the big players involved. There is about to be a door open wide. Truth will come from every direction, and your enemies won't know what to do or how to stop it. They can't. Their defeat is inevitable, saith the Lord of Hosts.

Socrates: this name will be in your news for a very surprising reason.

"Test tube babies:" this phrase will be in your headlines. True surrounding actions that have been done by doctors and scientists will be exposed. Some were a part of many scandals, and a whistleblower will

blow the doors wide open. Truth will prevail.

Listen for "the Biden" in a press conference. A major gaffe will occur and not like the ones previous. This will be a big one. It will cause a big stir up in the party of the blue. They will scramble to fix these words, but it won't work. The light is shining down to expose everything done in darkness.

Paleontology will be in your news. Look to see what they have discovered, or they say they have anyway.

Australia: you will see a big shaking in your politics and Nation. The world leaders were trying to manipulate what was going on there. It will be exposed and who their pick was. Do not fear. I am going to

restore your Nation, and freedom will return to you like never before. So lift up your heads and say, "Lord, let the shake-up begin. We want this land for you, oh Lord." My children, just cry out to Me and see what I will do to honor My Word and deliver your Nation, saith the Lord.

The Saints will be in your news. Exposures will begin, and many in the NFL will also be exposed. There have been many things hidden from the world in the sports arena. I will expose them all: the NFL, NBA, MLB, and a world you didn't even know existed behind closed doors. Manipulation and scandals will plague the big-3, and the major players who took part in all of it will be exposed. For I, the Lord, have said enough. The idols you see now will fall for what they have done, and the ones who were in there for Me will

be safe from what is coming to the rest of them. Hold on, My children. Big shakings are about to take place.

You are coming into a time you never knew could or would happen. So settle your hearts before Me and know that I am the Great I AM, and there is no one like Me.

A death of a major world leader will shake up the world elites. Oh yes, they are about to receive one hit after another, and they won't be able to regain their composure.

Big leaks will come regarding Bill Gates, a degree of evil people didn't know existed. He will be caught in things you didn't know people could ever do to another person. He is just one of the many elites who will be exposed on the world stage.

Watch the whistleblowers come out

from all directions to annihilate the ones who have been controlling and manipulating this world and everyone in it. My children, get ready now. Get ready for their falls and great judgments.

Your rightful President is on his way back now. Stop looking for 2024. No, that's man's calendar and man's idea. No, 2022 is a great year of truth and restoration.

Watch what happens to the internet and cell phone services. Many abnormal things will occur before a great silence. Remember that silence means your great victory, so do not fear the days that lie ahead. I, the Lord, am giving to you what rightfully belongs to you, and I am restoring what has been stolen.

A great restoration will take place,

and a Great Exodus you shall receive. So stand right now. Stand together and pray for the lost and the ones who refuse to believe what is about to take place. I will have mercy on them, but My children, get ready for a great flood of people, a great harvest that will flood into churches. Get ready, My children, to be the light in this world that I need you to be.

These are your days, not your enemies, saith the Lord your Redeemer.

SIRENS WILL BE HEARD THAT WILL SIGNAL THE GREAT SILENCE

[Watch video](#)

For I, the Lord, this day am telling
My children, forget not who I am.
Forget not what I have done. Forget
not My love and My promises.
Forget not My written Words which
are health and healing to your flesh.
They are answers to every problem
you are facing. There is nothing
going on in this world today or your
own lives that **My written Word
doesn't have an answer for.** My
children, get rid of all the fear you
are under. Lord, how can we get rid

of fear? By praising and worshiping Me, by using My Authority to cast out fear and stop its control over you, by getting in My Word where faith comes, but first and foremost, by believing perfect love casts out fear. So always walk in love. **Walking in love means you're walking with Me. I am love, and fear cannot be in My presence.**

Lord, what happens when people do horrible things against me? They simply don't deserve love. My children, it's not your place to say. Remember, vengeance is Mine. I am the judge, so walk with Me. Walk in forgiveness, and you will walk in peace and rest without fear. My children, this type of fellowship with Me is easy. Both the world and religion tell you it's impossible or you are not worthy to receive Me in that way. Do not listen. Turn

everyone else and their opinions off. Listen to My Words and spend more time with Me. I will show you how much I love you and how important each of you is to Me and to the world right now. The world needs My Glory, which is on you, so receive it now in greater measures, My children. These are the days to walk, talk, and live differently from the world. Change now and watch how fast your life changes with Me, saith the Lord your Redeemer.

Steamroller: this word will be in your news for a surprising reason.

Gordmans: this name will be in your news, also for a surprising reason.

Jurisdiction: this word will be in your news for an unusual reason, and it will be in question in this particular situation.

A large mine will be in your news.

Desperation: this word will be in your news, but it will also be seen on the side of the left. The closer the midterms, the more things they will try to force and push through. **The more they push, the more they will give themselves away.**

Explosive evidence will come out regarding Nancy Pelosi, concerning January 6th, both impeachments, the Russian collusion hoax, and everything she did to try and sabotage your rightful president while he was in office, and even after he "supposedly left office." Proof of her, Mitch McConnell, Chuck Schumer, and many others who went along with and helped take part in one lie after another, one scheme after another. Their pockets were nicely padded for how they helped to

get "rid" of Trump. But everything they have done has been recorded, and I know it all. Judgment will rain down on each person who refuses to repent and on those who would do it again for money.

There are plea deals going on right now, with many working and begging your rightful president to spare them from embarrassment and losing everything they have. Some have done it because they had a change of heart, and some just because they don't want to be shamed in front of the world. But you will soon know all who made plea deals and all who absolutely refused, and still tried to hang on to any hope they had left to win. They will soon realize they chose the wrong side, saith the Lord of Hosts.

Another explosion is about to take

place, and this location will be surprising. Something major is hidden in this location that your enemies are so desperately trying to get rid of. But there is substantial proof of this thing they are trying to hide, and this explosion will expose what they are hiding, saith the Lord.

Vanguard will be in your news for a surprising reason.

Houshmand: this name will be in your news for a surprising reason. Explosive evidence and exposures are coming their way.

Curtis: this name will also be in your news.

Thomas Renz has information that the enemies didn't know he had. This information will keep destroying their narrative. Thomas, I am protecting you, and I will not allow

the enemies to stop this information you have been given. I will not allow them to suppress it, and I will not allow them to harm you or any member of your family. Put your faith and trust in Me and speak these words and these truths with My boldness. I will make your voice louder, and it will reach more people. Thomas, you are very important at this time. I will take you higher and use you in ways you didn't know I would. So keep going forward with Me, and you will see how special you are to Me, saith the Lord.

Many voices that have been silenced in this hour will be silenced no more. I am taking the muzzles off of My children, and they will start to do more damage to their enemies in this time.

Everything is crashing around your

enemies. My children, continue to call them down daily, and then watch them all fall, saith the Lord.

A special committee is about to be announced that will surprise you.

Something is about to happen in Okinawa. I told you, My children, that is why I keep saying this name, and I am showing you that what I say is true.

Sirens are about to be heard, but these sirens are not ones you would expect to hear. My children, this will signal the great silence that I have been speaking of. It's coming. You are right around the corner from it all changing, and it will come very quickly.

Your time to celebrate is drawing near, so stay near to Me, My children, and watch what I do for

you. You are living in a very special time. I chose you to be here on Earth during this time of celebration. Nothing before has taken place quite like this. It's on the horizon, and the page is about to turn, to turn it all around, saith the Lord your Redeemer.

SOMETHING SIGNIFICANT IS ABOUT TO TAKE PLACE IN THE LAND OF THE EAGLE

For I, the Lord, this day am asking
My children- where are all My
Joshuas and Calebs? Where are My

children who will dare to stand in the face of adversity, not back down, and not quit? Where are My Davids that will run toward Goliath? Where is My army to fight? My children, **your leaders are trying to steal from you.** They are trying to take your Nation. They tried to steal another election. **Where is the outcry? Where are My children?** What do you believe?

My children, there was a tsunami wave bigger than you expected, but they covered it up. They cheated and stole once again. I told you they were planning something. I warned you not to fear. **I told you there is victory for this Nation, and it still stands true.** I told you I had set traps. I told you they fell for every one of them.

So why are you afraid? Why are

some of you so defeated? Do you believe what I am saying, or are you going by appearances and believing that? Your enemies are mocking you and declaring they won. There was no red wave, they are saying. Does anyone believe them? **Your answer should be no.** They are liars. They are deceivers. They had plans to do more but ran out of time. They are trying to delay, delay, delay, but their delays and attempts to steal My Nation, **their attempts to steal another election, will fall big time.**

Something is on the horizon that no one sees coming. It will hit your enemies like a freight train barreling down the tracks. **A perfect storm is upon them now.** I warned them not to steal more, yet they arrogantly did it again. **So they will see My judgment strike.** The world will see it. My children, you are at this time

of acceleration. **I will remind you, once again, do not believe what you see or what things appear like, because all of it is about to change.**

Your enemies are celebrating because they think they have won again. We did it, and no one can stop us. They are rejuvenated, it appears like, until I pull the rug from underneath their feet. Arrests will be seen by the world, and **the overturning of the 2020 election will be acknowledged. I will overturn every stolen election of 2022.** Yes, many all over this Nation, and not one person against Me will be able to **enjoy their supposed "victories" for long.**

I told you, My children, their victories would be short-lived. **They will not take those seats of power.** My hand is moving before them.

Enough is enough.

But I am asking My body once again, do you believe My Words? Do you believe this is too big to fix? Do you believe your enemies actually won? Do you believe they have more power than Me? **Those liars and thieves will be silenced**, saith the Lord of Hosts.

There will be a standstill; it will appear like. There will be devastation; it will seem like. Your enemies are still pursuing you with no end in sight; it will feel like. But do you remember who I am? I am the God of Abraham, Isaac, and Jacob. I am the deliverer of My people. I am the deliverer of My children. So do not give up on Me or My Words.

I will not fail. You have not lost your Nation. You are not defeated.

No, nothing has changed after these so-called midterms. Yes, I said "so-called" because they are fake and false. Do not believe them. Do not believe their narrative. Do not believe their outcomes. They will not last, and they will not stand.

Woe to those who attempted to steal those seats. Woe to those who deceived My Nation. Woe to those who think they can have whatever they want because they want it. Woe to those who mock Me and think I will not step in and defend My children or My Nation. You are sorely mistaken.

I am here to avenge. I am here to deliver. I am here to give back everything that has been stolen, saith the Lord of Hosts.

My children, get prepared for a great

shaking about to hit this Nation. **Yes, something significant is about to take place in the land of the eagle because the eagle is Mine,** and the world and My children will know that for a fact.

These are the days of the great silence. So be prepared and brace for **My mighty impact,** saith the Lord your Redeemer.
