

GOD IS DOING WHAT HE HAS NEVER DONE BEFORE

Prophecies and excerpts from Julie
Green Ministries

<https://www.jgminternational.org/>

I am pouring out revelation knowledge like never before because it is written in My Word that My children are destroyed for a lack of knowledge.

Great changes are coming. Brace for the changes, My children. They will be sudden, and they will be something you have never experienced:

A great exchange is about to take place. My children, what

is coming has never been experienced by mankind- the display of My power used against your enemies has never been seen like this.

Remember My Words: "**the principalities in the air over you have been defeated.**"

There is less interference now, so pray like never before.

Believe like never before. I am here for you, and your lives are about to change in ways you never thought possible. These are the days you have been waiting for, so brace yourselves for what is about to take place that you could never have imagined.

I will break them and all their plans. This is that time. I will give you peace and rest like you

have never known. **When you sleep, I will come to you and tell you what to do.**

To My Nation of the United States: it is coming- a takeover, a take-back, a restoration, and celebrations like never before.... So do not fear this time. I will bring My miracles, My signs, and My wonders during this time. This is the time of restoration, healing, and refreshing from the effects of the enemy and the damage they have caused against you. Receive from Me. Expect more from Me like never before.

Start to celebrate, My children. You are about to see Me do things for you I have never done before like this in this world.

You have all been handpicked for this Great Exodus, so receive what the Lord has already done. My Glory shall fill your homes like never before. **Yes, changes are coming, ones you didn't expect** because I am the God of surprises, and I am about to surprise the world, saith the Lord your Redeemer.

A GREAT EXCHANGE IS ABOUT TO TAKE PLACE

Date Word Received: June 15, 2022

[Watch video](#)

For I, the Lord, this day am telling My children, My body, to arise in this hour in great strength against the persecution, against the plans of the enemies, to rise above it all. I have given you the power. Tap into it today.

My children are asking, God, how do we tap into this power? **Proclaim this: "Lord, I take and receive the authority you have given to me through the blood of Jesus. I receive my blood covenant rights. I receive my freedoms and my deliverance. Satan, you can no**

longer take away what is rightfully mine because of the blood of Jesus. I am no longer a slave, but I am a warrior in the body of Christ. I am a heavenly armed soldier, and my victory is guaranteed." Hallelujah! My children, decree this. Get the revelation in these words because your enemy's destruction is great. **I am pouring out revelation knowledge like never before** because it is written in My Word that My children are destroyed for a lack of knowledge.

So, My children, no longer settle for natural reasoning and living like the world. Take My truth. Receive it, and it will destroy the lies you have believed and the chains that held you hostage all of your lives because of the lies your enemies got you to believe. No more accept slavery and defeat, My children. Roar like a lion

because the Lion of the tribe of Judah is on the inside of you. So shout for your freedom. Shout for your health. Shout until your children come home. Shout to your finances and tell them to come in. Shout until the walls of the enemies come down like the walls of Jericho. Shout until your chains come off. Shout until your enemies can't stay in your presence because of the power and the authority that is coming out of you.

Great changes are coming. Brace for the changes, My children. They will be sudden, and they will be something you have never experienced:

- Days of revival
- Days of glory
- Days of deliverance

- Days of restoration
- Days of a wealth transfer
- Days of your enemies' ultimate demise

Yes, you are living in these days.
Now receive this today, My children,
saith the Lord your Redeemer.

Gerber: will be in your news. Truth
will be revealed, and anger will grow
around the world for what they have
done against you, for what was
planned. There is proof, and this
proof will be shown to the world,
saith the Lord.

Shortages: yes, they will continue to
say this and use this against you, they
think. Leaked documents will prove
it is all a lie. A cargo ship and its
contents will also prove this is a lie.
My children, their chip shortages will

be revealed and how they wanted to manipulate the car industry as well as every part of your economy. They wanted it to change to burden you with so much financial debt you would become more enslaved to them. I have told you before I am ripping apart their system, tearing it all down and freeing you from their enslaving you, My children. **I will not allow them** to go as far as they want to go. **Know that what they wanted for this time was depopulation on this planet to a scale never seen before with their One World Order in full control.** My children, they want you in their concentration camps again. **They want to shut down churches for them never to open again.** They want to destroy capitalism fully, so no one has a right to their own money or their own businesses. They want full

control of your lives medically. They want to be able to flip a switch and decide who lives and who dies. Yes, they want to control your bodies and, ultimately, your souls. That is their ultimate goal- to destroy your wills and your souls so you would break and fully become enslaved to them.

But, My children, I have intervened. I have stopped them from getting that far. Their plans and will, they will never fully get, even in the time of tribulation. They will get to see a lot, but they will never get exactly what they want, which is full control over this Earth and to destroy My power in this Earth. That could nor would ever happen, saith the Lord.

These people are not gods. They cannot have what they desire, and they will soon find this out.

Your enemies are about to experience destruction at a level never known to them. Everything will fall apart at one time. You, My children, will get back what has been taken from you by your enemies, and you will receive freedom you have never known. They will experience lack, defeat, destruction, embarrassment, heartache, and loss never known to them.

A great exchange is about to take place. My children, what is coming has never been experienced by mankind- the display of My power used against your enemies has never been seen like this. I chose you to experience: a kind of deliverance never known by My children, a wealth not known to this level, health and wholeness, and a great exchange of things stolen will be given back.

Get ready, My children, for My greatness to be on display for the world to see.

Spain will be in your news. Lies and manipulation will be uncovered. Yes, a leader will fall, and many more will follow all over this world, saith the Lord.

It is all about to come to a close. I will tear their empires down in front of the world.

A harbor will be in your news for an unusual reason, but is it really? My light will shine on the harbors and things hidden in the darkness. Yes, they have been unloading precious cargo in the dark of night, and it has been captured on video what they have been up to. Watch, My children. You will see it. All will be seen by the world, saith the Lord.

An expo will be in your news. Look for what kind of expo it is, and you will know why I mentioned this to you, saith the Lord.

Tunnels will be in your news, and what has been transported in them will be exposed. It's not what you think. It's far worse. I am stopping it, and I am stopping them, saith the Lord of Hosts.

Archer: this name will be in your news.

An explosion will occur in Washington D.C. Watch for this, My children. It's a sign to you of its ultimate destruction.

A senator will be in your news. They will announce they are switching parties. It will rock the political realm, and the shock will bring the color of the blue to its knees. This

party will be annihilated by the color of red, for the party of the Donkey has much destruction and chaos about to take place. The harvest they are about to reap, they have sown, and their harvest is great.

Many seats will be in question right before the 2022 election. Midterms: My children, much change will occur before then. Don't look for man-made systems to fill those seats or replace the ones that will be vacated. My hand is doing that now. Every stolen seat will be given back.

You will have a new House of Representatives. You will have a new Senate. You will have a new government body, and they're all moving into their rightful places of power.

I am wiping out the infiltrators and

taking them out of the equation.

No longer will this Nation or any nation be held hostage to the world's demonic system or the hold it had on you.

The housing market will crash to a level that will look like it will be devastating to you, My children, but don't listen. The evil system that was propped up, against you, and held you in those death grips, yes, that debt system is being destroyed by My hand. So do not let this shake you. I have everything you need. I have provided everything you need. They took it, and you will see them give it all back.

My children, you will financially know a life free from debt and lack. Yes, My children, that is My plan for you.

Every sickness plaguing your bodies will be gone and destroyed. You will live a life where you won't need that medication to live. "Lord, that's just too good to be true, and it's too impossible to believe." My children, they caused it all, so why would I not make things right. I did it for My children in Egypt, and I am doing this for you now.

Trust in Me like never before.

Believe Me, My children, more than those liars and the system they enslaved you with. I am the waymaker, and I have already made a way out of this.

So get excited, My children. Your lives will forever change for your good.

Marcus: this name will be in your news.

The White House Press Secretary will be in question if she is capable of doing her job. This headline will be in your news. A shocking revelation will be revealed.

You will see more of a mass exodus starting to exit stage left, you would say, out of this fraudulent administration. They want to distance themselves and get away as fast as possible because the handwriting is on the wall- **"the Biden" will fall.**

So, hear this, My children. Get ready and get right before Me. Great changes will occur on levels you didn't know existed.

Lift up your heads! I am here! My plan will succeed! My Will will be done on this Earth, saith the Lord Redeemer.

A SHAKE-UP IS COMING TO THE GOVERNMENT OF THE UNITED STATES

Date Word Received: December 28,
2022

[Watch video](#)

For I, the Lord, this day am telling
My children to prepare for what is
coming:

A great shaking.

A great shift.

A great exchange.

A great overturning.

A great shock is coming.

I have told you, My children, about
what the enemies were trying to do.
What they have been attempting to
pull off worldwide. **I have been
warning you that what can be
shaken will be shaken.** So

remember to stand. Remember My Words. Remember your authority. **It's imperative for you to know the power of My Name and the power of the Blood of Jesus.**

The time has come to choose what you believe and what side you are on. **Something big is about to shake My eagle, My United States.** The shaking will **expose**, and this shaking will **bring truth to destroy every lie.** It will bring a **shock to this world about what they pulled off in front of you and what their next plans were against you and against the world.**

Another virus, yes, and more than one. Shortages that would bring starvation to the entire world while they lay up and continued to pile up food and products for themselves when the world suffered and died.

They lied and have stolen from you in every way possible. They are liars. Their power, their control, their governments, their court systems, their social media companies, their news agencies, their major corporations, Hollywood, and many governments around the world, with all the liars, thieves, and murderers. **Don't give in to their lies anymore.** They lie every day and in every way to keep their control over you. Wake up to the truth. Wake up to My Authority I have given to you. Wake up now, My children, from sleep that has kept you under their submission and caused so many people to surrender. **It's coming- the end to all of this, but it will get bumpy. It will shake like never before. Unusual things will intensify.** News reports will scream the worst of times, but **it's a lie** to keep you where you are.

That's why I repeat all the time, so this gets down in your hearts where your enemies cannot steal it; for you to stand, and not to lay down and quit, and give in to their subduction and their control.

My children, the time has come for you to war like never before. Use My Name like never before. Fight like never before. Darkness will appear to overtake My Nation, but when that happens, **My light will come and destroy their darkness once and for all.** So, My children, I say again, get to know Me today like never before. Get into My Word today to know the truth, so in this time of intense shaking, you won't shake at all.

It's time for My church to be in control. It's time for My church to know who they are. It's time for My

church to fight. It's time for My church to take back what belongs to them. Take it all back now:

The power.

The wealth.

The governments.

The news media.

Social media.

The corporate world. Take it all back. It was never meant for Satan and his people.

My children, I have given you everything on this earth to spread My good news. **The world kept My church poor, so they couldn't obey My command and fulfill these instructions.** They stole your churches, and they stole money through deception and lies, so take it all back now.

It's time for My church to rise to be

the church that hell will not prevail against, saith the Lord your Redeemer.

Cowardly lion: this phrase will be in your news for a surprising reason.

Hazelnut: this word, I say again, will be in the news for a significant reason.

Warlord: this phrase will be in your news for a shocking reason.

McInerny: this name will be in your news for a significant reason.

Malcolm: this name will be in your news for a surprising reason.

Another news anchor will collapse on live tv. This will happen more and more. I told you, My children, things are not how they appear to be. They are trying to keep their lie going, so they will try to hide the reason why,

but they can't.

Watch the Indian ocean; something significant is about to take place and be seen there. I told you again and again to watch the waters. They are moving and are about to give up what's been hidden underneath.

Scarlett: this name will also be in your news for a surprising reason.

The Washington Monument will be in your news for a shocking reason. I have told you, My children, I am removing all their monuments, and every symbol of theirs will be destroyed.

I am also mentioning the Statue of Liberty because something significant will take place with it.

My children, their monuments and symbols are falling.

**Their plans are falling.
So decree this daily.**

I have shown you many signs, but
**you are in a time of prophetic
fulfillment that will get the world's
attention, not just My church.** To
change their course of action and
what they truly believe.

Brunsfeld: this name will be in your
news for a shocking reason.

Keep your eyes on California.
Something significant is about to
take place there.

Something big is brewing in Texas
that is about to be revealed.

My Nation is being saved. I am
saying this again. **A uniting has
begun that cannot be divided and
cannot be destroyed.**

Something big is about to happen in

Brazil that will bring shock waves to the world.

Obama's earpiece for "the Biden" is about to be exposed because the puppet masters are being exposed. **Their puppet is about to have his mask removed, and an actor will be exposed.** Lord, an actor? Yes, "the Biden" is a liar, an actor, a thief, and a cheater. He is the Jackal, and he is about to be brought down once and for all. **Call for his removal now. Call for his exposure now. Don't wait, do it now. Call them all down like the Pharaohs of old. It's all coming to an end similar to that.**

Hillary and Nancy are about to be exposed in a way like never before. No hiding, no denying; judgment will be served **where everyone can see.**

A shake-up is coming to the

government of the United States, a
shake-up that will bring the
corruption down for good. It will
bring great restoration. Do not give
up now, My children. I am bringing
justice. I am judging. I am cleansing
all that has held you. Do not give in
to their control. Fight with My Name
and with My Word, and take what is
already yours, saith the Lord your
Redeemer.

ONE GOVERNMENT WILL FALL, AND ANOTHER WILL REPLACE THEM

Date Word Received: July 23, 2022

[Watch video](#)

For I, the Lord, this day am telling My children to start taking authority over every situation in their lives. Start taking authority over the situations in your cities and the situations in your nations. "Lord, how do we do that," some of you may be asking? My children, I have given you My name. I have given you My written Word. I have given you the armor you need for this battle, every battle. Get in My presence, and I will let you know who you are with Me.

You are not alone. You are not abandoned. You are not weak. You are not without. No, I have left you with everything you need to defeat your enemy and anyone he chooses to use. They are all losers, and they will go down as losers for all eternity.

You think it was harsh what I did against Pharaoh and all of his men regarding the Red Sea. What I am about to do to these world leaders is much bigger than that. **Oh yes, when I am done, everyone will know that I am still the Most High God, and there will be no denying that.** Oh yes, Satan will lie and deceive people, but their blinders are removed, so they will be able to choose what report they believe.

My children, things are changing. Things will continue to intensify.

Things will occur that will bring shock to most of this world.

An eruption is about to take place that the world has never seen quite like this before.

Staggering information is about to be released that will cause an uproar in this Nation.

Oh, United States, one government will fall, and another one is coming to replace it. **The government that I have chosen for such a time as this is coming, like a freight train, to destroy the power of this fake and fraudulent government,** saith the Lord of Hosts.

Chaos will consume some people with fear because of what is going on in this world. **A Civil War, it will appear like, will try and break out, but it will come to nothing because**

their power is nothing. For I am the Great I AM, and there is none like Me, and your enemies' plans are coming down now. So keep on shouting them down, My children. **It is working, and it will start to speed up in these days.**

Cry a mighty war cry and watch all the things against you start to shift. Turnarounds will begin. Miracles will start to happen. My blessing will begin to manifest more and more in your lives. My blessing is an empowerment that causes you to rise above everything that would try to hold you down. Remember My Words: **"the principalities in the air over you have been defeated."**

There is less interference now, so pray like never before. Believe like never before. I am here for you, and your lives are about to change in

ways you never thought possible. These are the days you have been waiting for, so brace yourselves for what is about to take place that you could never have imagined.

Donald Trump, My son, do not doubt Me and do not doubt what I will do for you. **I will protect whom you love**, and I will protect this Nation from what you are being told is possible and what could be the worst-case scenarios. This will not happen. I will not allow your enemies to go that far. **I know it is hard to imagine less casualties in a situation like this**, but I have done this in My Word before. My son, go to 2 Chronicles 20 in My written Word and read what I did for My people. The enemies fought each other, and none on My side were lost. This is possible. Get in prayer with Me. **Surround**

yourself with people who can pray with authority, who will lead you in the right direction. Donald, you have had people surrounding you who have purposely given you bad advice. Some know they were sent there to sabotage you. I will reveal the ones who are left. I will tell you who to have near you during this time. My son, it's go time. So go, and I will be with you. I will be with this Nation. You are a part of the new United States. **I have called you here for this moment. I promise you, My son, I will not fail you. I will not fail this Nation.** I love you beyond what you could have imagined. Everything stolen, everything lost, you are about to get back in multiplication, My son, beyond your wildest dreams. I will restore and give back more. **I will shield your family, and no one will touch them.**

I have My angel army surrounding you and your family in this time. So go and do what I have called you to do, and I will be with you, My son. Thank you for your sacrifice. Thank you for your obedience. Thank you for not backing down, and thank you for trusting Me despite what you have seen and what your enemies have tried to do to break you. **I will break them and all their plans. This is that time.** I will give you peace and rest like you have never known. **When you sleep, I will come to you and tell you what to do.** I am here, and I will **always** be here for you, My son, saith the Lord of Hosts.

My children, your enemies are about to become scatterbrained. Yes, that is what I said. **The more you align with Me and My Words, the more your enemies will scatter.** They will

become more confused. These are the days of their confusion. These are the days you will see them fall in ways not known to mankind like this.

To My Nation of the United States: it is coming- a takeover, a take-back, a restoration, and celebrations like never before. I

told you there would be another inauguration, but this one is different. It is special, and you will see why. Oh, United States, the walls against you are gone. The people holding you hostage are themselves being held back. They can't do what they wanted to do next.

My children listen to My Words. It will look darker and more confusing for a short time. Press into My Word. There will be a silence when you can't hear the prophets, but you will always be able to hear Me. **This**

blackout is their fall and your victory.

So do not fear this time. I will bring My miracles, My signs, and My wonders during this time. This is the time of restoration, healing, and refreshing from the effects of the enemy and the damage they have caused against you. **Receive from Me. Expect more from Me like never before.**

My children, the changing of the guard is about to take place. Get ready for this change. Get ready for the transfer of wealth out of the hands of the wicked. I am giving it to you where it has belonged all along, **but I will give it to the ones I can trust to use it to bless the world.**

You are to separate yourselves from the world and how they act.

So do that quickly. Things are shifting now, saith the Lord.

Get used to hearing the word unusual in your news. More unusual events will continue to be more common in the next few months. What you know to be normal is gone, and life as you know it is about to get so good it will be like a dream, saith the Lord.

Jen Psaki is about to be in your news. Oh yes, great exposures have begun, saith the Lord.

Adam Schiff is about to be exposed big time. A great fall he will take in front of the world.

The House of Representatives is about to be in the news. A great lie is about to be exposed. The truth is being told, and everyone against Me will lose the seat they should never have had. I told you before they are

thieves and liars and are all about to get a hard dose of reality. You don't prosper when you steal and cheat. **They will all repay what they have stolen.**

Major events are about to take place in Washington D.C., and it will never be the same, saith the Lord.

President Zelensky is about to fall. Oh yes, he is about to walk away from his powerful position. He can no longer keep it because I am removing him Myself, saith the Lord.

Battlefield: this word will be in your news.

All eyes are about to be on Pennsylvania. A major eruption is about to take place. A liar has been caught red-handed and is about to shake that state. Pennsylvania, do not fear. I am here, and your enemies

will no longer hold your state hostage from the freedoms I have intended to take place in your state. A turnaround is about to take place, and you don't have to wait until the midterms for that, saith the Lord.

Ezekiel: this name will be in your news.

The clock known as Big Ben will be in the headlines. I told you this will be a sign that what the Royals have hidden can't stay that way.

I will say this again, the Statue of Liberty will be in your news and not in a good way. Their monuments and their symbolism are about to fall all over the place, saith the Lord.

Something significant is about to take place in New York.

Get ready, My children, for change is

coming like you wouldn't expect it to change in these ways. Watch more leaders resign. Watch; some of them will die. **This is the time for change in nations around the world.**

Start to celebrate, My children. You are about to see Me do things for you I have never done before like this in this world.

You have all been handpicked for this Great Exodus, so receive what the Lord has already done. My Glory shall fill your homes like never before. **Yes, changes are coming, ones you didn't expect** because I am the God of surprises, and I am about to surprise the world, saith the Lord your Redeemer.
